The Unofficial

PlayStation Handbook Katie Morris, 2014-11-10 If you are new to the PlayStation console or just want to learn more this is an essential guide for you With chapters covering PS3 PS4 and PlayStation TV this guide covers every aspect of PlayStation you can think of This book is a bundle of three books Each section can also be purchased individually Please note this book is neither written or endorsed by Sony and should be considered unofficial

A Beginners Guide to Using PlayStation 4

(PS4) Katie Morris, 2014-11-10 Congratulations on your purchase of what Sony Computer Entertainment touts as the world's most powerful gaming console the PlayStation 4 In its first year alone the PlayStation 4 has already sold nearly 15 million units internationally and has been heralded by critics and consumers alike for its powerful hardware and new features In 2014 it won gaming mega website IGN's People's Choice Award for best console in competition with the Xbox One and Wii U Accordingly the PlayStation 4 dominated gaming console sales throughout 2014 making it one of the best and fastest selling gaming consoles ever designed In addition to its beefier hardware Sony has added a variety of new and innovative features including the DualShock 4 controller the PlayStation Camera and the PlayStation Move controller Additionally with the new system players can connect their smart phones tablets PS Vita or PS TV to act as second screen interfaces to interact with your PS4 The new PlayStation 4 user interface will be familiar to those already used to the PlayStation 3 interface but the look and feel of the PS4 has been enhanced with dynamic menus that can be changed based on user preferences Third party apps such as Netflix and Hulu can now be displayed directly on the main screen for faster access Additionally the system now can be controlled using voice commands from a microphone headset or from the built in microphone on the PlayStation Camera With the release of the PlayStation 4 Sony has begun to emphasize social gaming which goes far beyond mere multi player gaming with the ability to share directly to social media sites like YouTube and Facebook with just a click of a button Ever wanted to share a video of yourself beating that final boss with your Facebook friends With the PS 4 this is now possible with just a couple of button presses using the new Share button on the DualShock 4 controller In addition to faster and easier

access to internet services like Netflix and Amazon Instant Video the PlayStation 4's built in web browser is based on the same engine used by Google Chrome and the new Safari web browser making it the most compatible browser available on any console Whereas in the past and with other consoles web browsing could be a bit of a headache when it comes to things like accessing YouTube videos the PS4's web browser is as easy and intuitive as the web browser on your computer and it's automatically compatible with the web's most advanced websites This guide will introduce you to how to use the most advanced features of the PS4 Now might be a good time to warn your significant other and boss that they might not see you for a while as you get familiar with your new best friend the Sony PlayStation 4 Please note this book is neither written or endorsed by Sony and should be considered unofficial

History of the Japanese

Video Game Industry Yusuke Koyama,2023-06-02 This book is the first one to describe the entire history of the video game industry in Japan The industry consists of multiple markets for PCs home consoles arcades cellular phones and smart phones and it is very difficult to see the complete picture The book deals comprehensively with the history of the Japanese game industry from the beginning of the non computer age to the present The video game industry in Japan was established in the arcade game market when Space Invaders was released by Taito in 1978 Game markets for both PCs and home consoles followed in the early 1980s The platform that occupies a central market position started with the arcade and shifted in order to the home console handheld consoles and smart phones In the video game industry in the twentieth century each platform had a clear identity and the relationships among platforms were interactions In the twenty first century with the improvement of computer performance the platform identity has disappeared thus the relationship among platforms is highly competitive Since the crash of 1983 in the United States the Japanese game industry has one of the largest market shares in the world and has developed without being influenced by other countries It reached its peak in the late 1990s and then its relative position declined due to the growth of foreign markets and the failure of emerging markets such as online PC games Even today Japan s gaming industry holds a dominant position in the world but it is not the superpower it once was Since the beginning of the twenty first century game research has become active worldwide Among game researchers there is a large demand for research on games in Japan but there is still little dissemination of research in English The original version of this book published in Japan is highly regarded and received an award for excellence from the Society of Socio Informatics in 2017

Final Fantasy Ultimania Archive Volume 1 Square Enix,2018-07-24 An astonishing journey through the creation of the seminal role playing epic officially available in English for the first time ever This holy grail of Final Fantasy fandom is packed full of original concept art process pieces and notes from the original artists and designers chronicling the creation of these timeless games Dark Horse and Square Enix are thrilled to offer the first of three volumes celebrating the entrancing lore and exciting development of the initial six entries into the Final Fantasy saga Totaling over three hundred pages and collected in a high quality hard cover binding Final Fantasy Ultimania Archive Volume 1 remains faithful to its original

Japanese source material while simultaneously offering unparalleled accessibility for Western readers No Final Fantasy collection is complete without this beautiful tome of art lore and history **Fuck Yeah, Video Games** Daniel Hardcastle, 2019-09-19 A labour of undiluted love and enthusiasm Daily Telegraph As Daniel Hardcastle careers towards thirty he looks back on what has really made him happy in life the friends the romances the video games Told through encounters with the most remarkable and the most mind boggling games of the last thirty odd years Fuck Yeah Video Games is also a love letter to the greatest hobby in the world From God of War to Tomb Raider Pok mon to The Sims Daniel relives each game with countless in jokes obscure references and his signature wit as well as intricate original illustrations by Rebecca Maughan Alongside this march of merriment are chapters dedicated to the hardware behind the games a veritable history of Sony Nintendo Sega and Atari consoles Joyous absurd personal and at times sweary Daniel s memoir is a celebration of the sheer brilliance of video games
