Please Ignore Vera Dietz:

Please Ignore Vera Dietz A.S. King, 2010-10-12 Vera spent her whole life secretly in love with her best friend Charlie Kahn. And over the years she's kept a lot of his secrets. Even after he betrayed her. Even after he ruined everything. So when Charlie dies in dark circumstances, Vera knows a lot more than anyone: the kids at school, his family, even the police. But will she emerge to clear his name? Does she even want to? Edgy and gripping, *Please Ignore Vera Dietz* is an unforgettable novel: smart, funny, dramatic, and always surprising.

Please Ignore Vera Dietz Amy Sarig King, 2010 **Booklist's 1000 Best Young Adult Books Since 2000** Booklist, 2014-05-15 With the explosion in YA publishing, it's harder than ever to separate good books from the rest. Teen Talkback with Interactive Booktalks! Lucy Schall, 2013-05-01 Covering the genres popular with today's teens: fiction and nonfiction, including poetry and graphic novels, this resource provides 110 great book choices for young adult reading, interactive booktalks, and individual writing activities. All educators and library professionals need practical resources with easily accessible information and activities that can be immediately applied. *Teen Talkback with Interactive Booktalks* is such a resource, supplying ready-to-use interactive booktalks and curriculum connections for more than 100 recently published young adult books. This unique book is an invaluable tool for motivating teens to read. It shows how to make booktalks interactive and get teens participating in the presentation rather than passively listening. Book selections include titles published from 2008 to 2012, organized in seven categories: Issues, Contemporary, Adventure, Survival, Mystery, Suspense, Fantasy, Heritage, and Multiple Cultures. Complete bibliographical information for each selection is included, along with a literary classification as well as an age grade level and gender designation. The read-aloud passages include talkback questions to facilitate discussion, and related works are supplied as suggestions for additional reading choices.

The Critical Merits of Young Adult Literature Crag Hill, 2014-03-05 This examination of the literary effectiveness of young adult literature from a critical research-oriented perspective answers two key questions asked by many teachers and scholars in the field: Does young adult literature stand up on its own as literature? Is it worthy of close study? The treatment is both conceptual and pragmatic. Each chapter discusses a topical text set of YA novels in a conceptual framework, how these novels contribute to or deconstruct conventional wisdom about key topics, from identity formation to awareness of world issues, while also providing a springboard in secondary and college classrooms for critical discussion of these novels. Uncloaking many of the issues that have been essentially invisible in discussions of YA literature, these essays can then guide the design of curriculum through which adolescent readers hone the necessary skills to unpack the ideologies embedded in YA narratives. The annotated bibliography provides supplementary articles and books germane to all the issues discussed. Closing End Points highlight and reinforce cross-cutting themes throughout the book and tie the essays together.
