The Man-Made World Charlotte Perkins Gilman,2021-01-05 The Man Made World 1911 is a sociological study by American author and feminist Charlotte Perkins Gilman Inspired by her work as a social reformer and advocate for women's suffrage Gilman sought to write a work of nonfiction that explained the effects of patriarchy not only on the lives of women but on the structure and health of society at large In the beginning Gilman observes that though biology naturally attributes motherhood and fatherhood to women and men respectively there is no evolutionary explanation for the widespread control of men over all other human activities This inequity Gilman explains is what she means by the term Androcentric Culture a culture organized by men for men Having established her thesis Gilman dedicates chapters to such topics as the family health art sports religion education government economics and warfare in order to observe the impact of male domination on each Ultimately Gilman asks what if anything will men lose if women are granted the rights and responsibilities they have no reason not to share The Man Made World is a thorough and powerful experiment in sociological thought and a groundbreaking work of feminist nonfiction With a beautifully designed cover and professionally typeset manuscript this edition of Charlotte Perkins Gilman's The Man Made World is a classic of American literature and nonfiction reimaged for modern readers

The African American Male, Writing, and Difference W. Lawrence Hogue,2012-02-01 In this wide ranging analysis W. Lawrence Hogue argues that African American life and history is more diverse than even African American critics generally acknowledge Focusing on literary representations of African American males in particular Hogue examines works by James Weldon Johnson William Melvin Kelley Charles Wright Nathan Heard Clarence Major James Earl Hardy and Don Belton to see how they portray middle class Christian subaltern voodoo urban jazz blues postmodern and gay African American cultures Hogue shows that this polycentric perspective can move beyond a

racial uplift approach to African American literature and history and help paint a clearer picture of the rich diversity of African American life and culture *The Dramatic History of Master Edward* George Alexander Stevens, 1785 70
