Pleasure and Profit in Bible Study Dwight Lyman Moody, 1895 *Pleasure and Profit in Bible Study* D L Moody, 2020-10-15 A Quickening that will last must come through the Word of God A man stood up in one of our meetings and said he hoped for enough out of the series of meetings to last him all his life I told him he might as well try to eat enough breakfast at one time to last him his lifetime That is a mistake that people are making they are running to religious meetings and they think the meetings are going to do the work But if these don t bring you into closer contact with the Word of God the whole impression will be gone in three months The more you love the Scriptures the firmer will be your faith There is little backsliding when people love the Scriptures If you come into closer contact with the Word you will gain something that will last because the Word of God is going to endure In the one hundred and nineteenth psalm David prayed nine times that God would quicken him according to His word His law His judgment His precepts etc If I could say something that would induce Christians to have a deeper love for the Word of God I should feel this to be the most important service that could be rendered to them Do you ask How can I get in love with the Bible Well if you will only arouse yourself to the study of it and ask God s assistance He will assuredly help you Taken from Pleasure and Profit in Bible Study written by D L Moody

from what I may call religious gout On the other hand if it be all work and no Word it will not be long before they will fall into all kinds of sin and error so that they will do more harm than good But if we first study the Word and then go to work we shall be healthy useful Christians I never saw a fruit bearing Christian who was not a student of the Bible If a man neglects his Bible he may pray and ask God to use him in His work but God cannot make use of him for there is not much for the Holy Ghost to work Upon We must have the Word itself which is sharper than any two edged sword About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
