

A man and a woman are shown in a close, intimate pose. The woman, with long brown hair, is leaning her head against the man's chest. The man, who is shirtless, is looking down at her with a gentle expression. They are both wearing white clothing, and the woman is also wearing a black bra. The background is a plain, light color.

Excerpt

And you too Deanna My thanks for seeing Victoria in The girl rose and backed towards the door I know you dislike the task he added before she had left But yours is such a warm personality I couldn't think of having the other girls do it in your place when I want our newest guest to feel welcome She blushed deeply at the compliment her eyes fixed on the floor Thank you Master she said softly He nodded in dismissal and she left Slowly as though he could sense my impatience his deep charcoal eyes turned towards me Victoria he said simply I'm glad you could come Master I responded eager to try the new form of address He smiled You've heard that word have you Good We'll teach you the meaning of that word very thoroughly before you leave here A slight shiver ran down my spine God was I already wet He stood and walked over to me I like a new toy that arrives early in the morning he said There is so much time left in the day to try it out He laid a finger under my chin tilting my face up to meet his With a slight pressure he bid me stand and I rose to my feet my eyes never leaving his You've been on my mind a very great deal over the past twelve hours he said to me The number surprised me Had it really only been that long I'm usually such a patient man he went on sliding a finger beneath the strap of my top just brushing my skin What is it about you that so undermines my self control I trembled slightly at his touch and the tone of his voice His words were deep with intensity and yet I did not believe him for a moment when he said his self control was compromised He seemed to have so much of it that it bled over and controlled me too without him being entirely conscious of it Simply having him standing in front of me looking and touching me was enough to paralyze me until next he told me to move And all nicely wrapped he murmured I can always tell an outfit chosen with care We'll put these clothes somewhere safe for the week I wouldn't want them to wrinkle His gaze held mine as he began to strip my clothes from me A slight blush rose to my cheeks but I did not break eye contact My God he didn't beat around the bush There was the slightest hint of a challenge in his deliberate movements I am making you naked in front of me his eyes were telling me There is no secret or thought or emotion you possess that I cannot choose to uncover You walked in my door knowing who I was and what I wanted and now you will be utterly mine
