Exploring Vocabulary Dee Gardner, 2013-08-15 Routledge Introductions to Applied Linguistics is a series of introductory level textbooks covering the core topics in Applied Linguistics primarily designed for those beginning postgraduate studies or taking an introductory MA course as well as advanced undergraduates. Titles in the series are also ideal for language professionals returning to academic study. The books take an innovative practice to theory approach with a back to front structure. This leads the reader from real world problems and issues through a discussion of intervention and how to engage with these concerns before finally relating these practical issues to theoretical foundations. Additional features include tasks with commentaries, a glossary of key terms and an annotated further reading section. Vocabulary is the foundation of language and language learning and as such knowledge of how to facilitate learners' vocabulary growth is an indispensable teaching skill and curricular component. *Exploring Vocabulary* is designed to raise teachers and students' awareness of the interplay between the linguistic, psychological and instructional aspects of vocabulary acquisition. It focuses on meeting the specific vocabulary needs of English language learners in whatever instructional contexts they may be in, with a special emphasis on addressing the high stakes needs of learners in academic settings and the workplace. Dee Gardner also introduces a new Common Core Vocabulary constructed from two of the most well known and contemporary corpora of English: the British National Corpus and the Corpus of Contemporary American English. *Exploring Vocabulary* is an essential book for undergraduate and postgraduate students studying vocabulary within Applied Linguistics, TESOL or Teacher Education as well as any teacher working with English language learners. **Long Lost** Harlan Coben, 2010-02-23

The bestselling author and creator of the hit Netflix drama *The Stranger* ratchets up the tension as sports agent Myron Bolitar gets mixed up in some international intrigue in this 1 New York Times bestseller. With an early morning phone call, an old flame wakes Myron Bolitar from sleep. Terese Collins is in Paris and she needs his help. In her debt, Myron makes the trip and learns of a decade-long secret Terese once had: a daughter who died in a car accident. Now it seems as though that daughter may be alive and tied to a sinister plot with shocking global implications. CD-ROMs in Print, 1998 **Children's**
