Young Adult and Canonical Literature Paula Greathouse,Victor Malo-Juvera,2021-03-15 In the last decade alone the world has changed in seismic ways as marriage equality has been ruled on by the supreme court social justice issues such as metoo and BlackLivesMatter have arisen and issues of immigration and deportation have come to the forefront of politics across the globe Thus there is a need for an updated text that shares strategies for combining canonical and young adult literature that reflects the changes society has and continues to experience The purpose of our collection is to offer secondary 6 12 teachers engaging ideas and approaches for pairing young adult and canonical novels to provide unique examinations of topics that

teaching either text in isolation could not afford Our collection does not center canonical texts and most chapters show how both texts complement each other rather than the young adult text being only an extension of the canonical Within each volume the chapters are organized chronologically according to the publication date of the canonical text The pairings offered in this collection allow for comparisons in some cases for extensions in others and for critique in all Volume 2 covers The Canterbury Tales 1392 through Fallen Angels 1988 **Fun with Graphic Organizers 4' 2003 Ed. , Activities for a Differentiated Classroom Level 6** Wendy Conklin,2011-02-01 Easily implement grade appropriate lessons suitable for Grade 6 classrooms Based on current research these easy to use lessons are based on a variety of strategies to differentiate your instruction Activities are included to allow access to all learners Includes interactive whiteboard compatible Resource CD with sample projects templates and assessment rubrics 160pp plus Teacher Resource CD **Research on Preparing Preservice Teachers to Work Effectively with Emergent Bilinguals** Yvonne S. Freeman,David E. Freeman,2014-09-22 Teacher educators from institutions across the U S report their research with preservice teachers in large cities suburban communities and rural border areas The authors explain what they have learned as they have conducted research on education for preservice teachers who will teach emergent bilinguals in mainstream bilingual and ESL *Loser - Literature Kit Gr. 5-6* Nat Reed,2007-02-01 Students deal with the concept of the human spirit and the importance of failure Challenge students comprehension of the novel with a variety of question styles and a final quiz Students describe Zinkoff s self image as it appears in the novel Write a triangle poem about being a mail carrier Find the synonym of vocabulary words found in the text Students give their impressions of the teacher s speech on Zinkoff s first day of school Understand the idea of unconditional love and its value in a parent child relationship Create a comic strip to highlight a brief incident from the story Aligned to your State Standards additional crossword word search comprehension quiz and answer key are also included About the Novel Loser chronicles the childhood of Donald Zinkoff who is one of the most unusual endearing characters ever to grace the pages of a novel for young readers No matter what the game Donald never wins He trips over his own feet constantly raises his hand without ever knowing the correct answer and falls down laughing at the mention of any unusual word The novel traces Donald s journey from first to sixth grade It details his important friendships marks his relationships with different teachers and describes how he copes with various shortcomings that everyone but Donald and his parents deem terribly important *Engaging Students in Academic Literacies* María Estela Brisk,2014-07-25 The Common Core State Standards require schools to include writing in a variety of genres across the disciplines Engaging Students in Academic Literacies provides specific information to plan and carry out genre based writing instruction in English for K 5 students within various content areas Informed by systemic functional linguistics a theory of language IN USE in particular ways for particular audiences and social purposes it guides teachers in developing students ability to construct texts using structural and linguistic features of the written language This approach to teaching writing and academic language is

effective in addressing the persistent achievement gap between ELLs and mainstream students especially in the context of current reforms in the U S Transforming systemic functional linguistics and genre theory into concrete classroom tools for designing implementing and reflecting on instruction and providing essential scaffolding for teachers to build their own knowledge of its essential elements applied to teaching the text includes strategies for apprenticing students to writing in all genres features of elementary students writing and examples of practice
