Woman of Power ,1988 CHECK MATE D D Johnson,2021-11-26 Checkmate is a story of a misguided young man who
had to learn the hard way that the streets are a myth and they love no one To most it s just a game This young kid developed
a knack for the game of chess and maneuvers his way from a pawn with deadly aspirations to someday being crowned king
He views people as mere pieces on the chessboard part of the game Seeing that most of the boys his age from his
neighborhood are in some shape form or fashion part of the game he knew very few understood the rules and even fewer
abided by them The older he got the more he realized that he had too much to lose a tough pill to swallow And as it is said for
most a true player of the game finds it difficult to throw in the towel but damn sure doesn t wanna die captured in someone s
prison He then realized that his belief in the false narrative of the game and how it s to be played is a farce along with its
invisible code Eventually he was forced to be honest with himself There has never been or ever will be any honor amongst
thieves Like murder lying cheating and stealing snitching is also part of the game The street code was and in his opinion is
still used to keep the low level soldiers and underlings in check allowing the top tier guys to stay in their position at the top
as kings The very moment that things however they may seem begin to shift people start to talk While not suggesting that all
do it s fair to say the ones who stay silent due to their strong moral belief in the G code and keeping their street honor intact
are in the minority Rule 1 Don t get checkmated Rule 2 If you throw bricks at the penitentiary long enough know eventually
that the doors will open to welcome you in Rule 3 Know that the toughest and baddest killer robber gangster dope dealer in
your hood will set you up for the kill or snitch on you It s just that simple CHECKMATE
