

## Rainforests

They're really half a world away,  
there's nothing we can do.  
"Rainforests" might be just two words  
to kids like me and you.

They're really somewhere over there.  
I may not even see  
a Rainforest in my entire life.  
What should it mean to me?

I know that in these Rainforests  
that I may never see,  
half the world's plants, animals and insects  
live in harmony.

I know that trees are being cut,  
faster than we know,  
These trees are where the creatures live,  
so now where will they go?

So, I know they're half a world away,  
Rainforests I can't see.  
But I can learn and understand  
because the future starts with me!  
You can make a difference.
