

The Oak Tree

A mighty wind blew night and day.
It stole the oak tree's leaves away,
Then snapped its boughs and pulled its bark
Until the oak was tired and stark.
But still the oak tree held its ground
While other trees fell all around.
The weary wind gave up and spoke,
"How can you still be standing, Oak?"
The oak tree said, "I know that you
Can break each branch of mine in two,
Carry every leaf away,
Shake my limbs, and make me sway.
But I have roots stretched in the earth,
Growing stronger since my birth.
You'll never touch them, for you see,
They are the deepest part of me.
Until today, I wasn't sure
Of just how much I could endure.
But now I've found, with thanks to you,
I'm stronger than I ever knew."

Coffin,2017-02-09 Not Just a Tree is the story of one mighty oak tree and how the decision to cut down that tree has more of an effect that just the loss of one tree It s a story to symbolize that we are all more than just the sum of our parts What defines us is the impact we have on others and the lives we have touched I hope that the story teaches that all life is important and that no living thing is just anything
