

SCARLETT EDWARDS

A black and white photograph of a woman with long, wavy hair, seen from the side and slightly from behind. She is looking down and has her arms crossed over her chest. The lighting is dramatic, highlighting her skin and hair against a dark background.

Never Let Go Nlg Book English Edition:

Contemporary British Novel Since 2000 James Acheson, 2017-01-17 Focuses on the novels published since 2000 by twenty major British novelists. The *Contemporary British Novel Since 2000* is divided into five parts with the first part examining the work of four particularly well known and highly regarded twenty first century writers Ian McEwan David Mitchell Hilary Mantel and Zadie Smith. It is with reference to each of these novelists in turn that the terms arealist apostmodernist ahistorical and apostcolonialist fiction are introduced while in the remaining four parts other novelists are discussed and the meaning of the terms amplified. From the start it is emphasised that these terms and others often mean different things to different novelists and that the complexity of their novels often obliges us to discuss their work with reference to more than one of the terms. Also discusses the works of Maggie O'Farrell Sarah Hall A L Kennedy Alan Warner Ali Smith Kazuo Ishiguro Kate Atkinson Salman Rushdie Adam Foulds Sarah Waters James Robertson Mohsin Hamid Andrea Levy and Aminatta Forna

Kazuo Ishiguro Against World Literature Chris Holmes, 2024-10-17 A study of how Kazuo Ishiguro's novels respond to and represent the world through characters that are profoundly limited in their understanding of the systems that bind them. How has a writer known principally for his contained domestic novels come to represent the most dynamic elements of world literature. In *Kazuo Ishiguro Against World Literature* Chris Holmes expands our understanding of how world literature engages with the most pressing crises of the 20th and 21st centuries by examining Ishiguro's fascination with characters who are profoundly constrained in their ability to understand global systems to which they are subject. Rather than following the established pattern of so called global novels which crisscross the planet exhibiting a knowing cosmopolitanism Ishiguro's fictional engagement with the world comes principally in the form of characters who are cut off from the global systems that abuse them. By examining the ways in which Ishiguro foregrounds the in process thinking of those who fail to comprehend their place in the flow of politics culture and ideas Holmes positions Ishiguro as the great chronicler of everyday lives and as such prepares a mode of reading world literature that questions the assumptions for how we live and think with others when each of us is deeply limited
