The Definitive Game Narrative Guide Brian Kindregan, Diandra Anne Lasrado, 2025-09-09 The Definitive Game Narrative Guide is the ultimate start and end point for storytelling in video games. Whether you're an aspiring writer or a seasoned game developer, this book offers an in-depth, comprehensive look at the entire narrative process. Written by two industry veterans with experience across some of the biggest AAA franchises, this guide covers the basics to the advanced, including the why for each topic as much as the how. This book explores the nuances of world building, character development, interactive storytelling, and the technical challenges unique to game narrative. With real world examples, practical insights, and expert advice, it provides a look into how game stories come together from the smallest indie project to massive AAA teams. The Definitive Game Narrative Guide is more than a how-to book; as it also serves as an industry insider's perspective on what makes game storytelling truly great. It discusses techniques to navigate the creative workplace, working as a creative, and most importantly, collaborating with other creatives and disciplines such as art and design. An essential tool for anyone looking to level up their understanding of game narrative. This book will help you bring unforgettable stories to life in an interactive form.
