SELAH, 2025-07-10 Just got saved but still feel spiritually clueless You re not alone The Baby Christian's Survival Guide is a funny practical and refreshingly honest guide for anyone new to faith who's secretly wondering if everyone else got an instruction manual Spoiler They didn t With humor heart and a dash of holy sarcasm this guide walks you through the weird wonderful world of Christian life church culture prayer reading the Bible handling questions and more without overwhelming theology or awkward Christianese Perfect for new believers returning wanderers or that friend who just got baptized and has no idea what s next You ll laugh You ll learn You might even finally figure out what fellowship means Christian Survival Guide Christopher Roberts, 2017-05-18 This mini book will provide you with seven steps along the path of righteousness encouraging Christians that God is with them no matter what Even though this Christian Survival Guide is short it will provide readers with a taste of the kind of books I am writing to encourage the body of Christ today as we prepare for the Second Coming of Jesus Christ our Lord and Saviour The first step to Christian survival will consider that God wants to restore those who may have been going through difficult times in their lives It's very easy for a Christian to loose their spiritual edge especially if they have been going through circumstances that have required all their attention We shall consider how to rely more on God to motivate our spirituality in these last days of time The second step to Christian survival will focus on how to exercise patience and love towards those in our churches and fellowships those who may not conform to the way that we do things in the Kingdom of God In this chapter we shall consider how to exercise patience and love rather than being overly critical and judgemental towards those in need of help and guidance in their lives

The third step towards Christian survival will evaluate the difference between judgment and spiritual discernment In the first half of this chapter we shall consider how to correctly judge one another In the second half of this chapter we shall consider the need to use discernment when facing some of the false doctrines that are invading our churches today. The forth step to Christian survival will discuss how to be led by the Holy Spirit rather than adhering to a legalistic code of practice that many churches observe today Christianity is not about observing some specific doctrine or even looking good before others it s about obeying God and experiencing the leading of the Holy Spirit in our individual lives even though that leading may be different to how God leads other people in their day to day walk with him The fifth step to Christian survival will analyse the correct appropriation of God's grace in our lives. We need grace to help us seek God until he sets us free from the temptations and sins that plaque many christians today something that cannot be achieved through the observance of some law telling us that we should not sin The penultimate key to Christian survival will attempt to gain an understanding between faith and works works will not bring us to Christ However faith without works is dead Therefore we shall consider the right balance that we need to achieve between faith and works The final step to Christian survival will discuss the need to be prepared to let God change us from vessels of dishonour into vessels of honour fit for the Master's use God is able to do this by allowing many of us to pass through various trails and difficulties that affect people today Rather than running away from such trials and tribulations God may be trying to speak to us and change us more into the image of his Son Jesus Christ It is my prayer that this short book will encourage you to face whatever it is that comes against your life and turn it into something good that will benefit both you and the Kingdom of God at the same time Genesis 50 20 Survival Kit Ralph W. Neighbour, Jr., Bill Latham, 1979-11-05 Survival Kit 5 Keys to Effective Spiritual Growth helps new and growing Christians understand and deal with conflicts between old and new patterns of thoughts and habits It also helps believers develop a regular pattern of quiet time prayer Bible study and Scripture memorization Includes a small group discussion guide and one THE CHRISTIAN APOLOGIST Edward D. Andrews, 2016-11-03 **Biblical Counsel** to one counselor s guide 6 sessions .1993 <u>DEFENDING CHRISTIANITY</u> Alfred Ernest Garvie,2022-06-04 Garvie offers the reader an overview of arguments for Christianity on subjects varying from the existence of God to eschatology Alfred Ernest Garvie shows us the magnificence of the faith instead of becoming weighed down by tiresome arguments He systematically covers every significant Christian teaching making this handbook a valuable reference for believers and unbelievers alike looking for appealing summaries of **DEFENDING THE CHRISTIAN FAITH** Samuel L. Phillips, 2022-06-02 Use the tools of reason the specific doctrines power of the mind to think understand and form judgments by logic to construct an argument for the Christian faith Paul reasoned from the Scriptures he proved explained and persuaded Samuel L Phillips maintains that we can establish many of the essential truths of Christianity from facts most people believe In DEFENDING THE CHRISTIAN FAITH he creates common ground with unbelievers showing that they already believe in fundamental truths that lead to Christianity
