Download the free study guide [Remember Death](#) Matthew McCullough, 2025-06-10 The Best Way to Find Meaning in Life Is to Get Honest About Death Life expectancy worldwide is twice what it was a hundred years ago And because of modern medicine many of us don't often see death up close That makes it easy to live as if death is someone else's problem Ignoring the certainty of death doesn't protect us from feeling its effects throughout the lives we're living now but it does hold us back from experiencing the powerful everyday relevance of Jesus's promises to us So long as death remains remote and unreal Jesus's promises will too But honesty about death brings hope to life That's the ironic claim at the heart of this book Cultivating death awareness helps us bring the promises of Jesus from the hazy clouds of some other world into the everyday realities of our world where they belong Insightful and Accessible Draws from many sources including research from science and psychology and examples from literature pop culture theology and Scripture Christ Centered Encouragement for Life and Loss Teaching what the Bible says about identity futility and grief McCullough offers hope that is tied to the promises of God Replaces ISBN 978 1 4335 6053 8 **Confronting Christianity** Rebecca McLaughlin, 2019-04-17 Although many people suggest that Christianity is declining research indicates that it continues to be the world's most popular worldview But even so the Christian faith includes many controversial beliefs that non-Christians find hard to accept This book explores 12 issues that might cause someone to dismiss orthodox Christianity issues such as the existence of suffering the Bible's teaching on gender and sexuality the reality of heaven and hell the authority of the Bible and more Showing how the best research from sociology science and psychology doesn't disagree with but actually aligns with claims found in the Bible these chapters help skeptics understand why these issues are signposts rather than roadblocks to faith in Christ *Reading the Bible, Missing the Gospel* Ben Connelly, 2022-09-06 Don't keep asking God for forgiveness Do judge one another And you're not going to heaven for all eternity How have we misunderstood the teachings of Jesus Often His message to the leaders and disciples was You're getting this wrong Somewhere along the way you got confused lost way off track Would He have the same assessment of us today In *Reading the Bible Missing the Gospel* pastor and author Ben Connelly shows us how to recover God's original intentions in light of the story of redemption Connelly helps us celebrate and understand how Jesus' life death and resurrection are truly good news for the tangible situations in our everyday lives Biblical misunderstandings can lead to a small view of God but truth overturns that It expands our hearts for God and enables us to truly love others Using theology humor and practical examples the author reveals shockingly common ways we get the Bible wrong Connelly

invites Christians to see themes and teachings with new eyes or rather with old eyes on topics like confession and forgiveness what it means to be blessed or happy whether we re commanded to or prohibited from passing judgement How does the gospel inform our understanding and answer these questions Connelly gives readers a new gospel focused lens that addresses common frustrations and helps them see with renewed hope clarity and courage [Digital Detox](#) Molly
