Practice Resurrection Eugene H. Peterson, 2010 There is no question that bringing men and women to new birth in Christ is essential But argues Eugene Peterson isn't it obvious that growth in Christ is equally essential Yet the American church does not treat Christian growth and character formation with equivalent urgency We are generally uneasy with the quiet obscure conditions in which growth takes place Building maturity in Christ is too often relegated to footnote status in the text of our lives In Practice Resurrection Peterson brings the voice of Scripture especially Paul's letter to the Ephesians and the voice of the contemporary Christian congregation together in understanding what is involved in the practice of becoming mature growing up to the stature of Christ
