New Girl Law Drafting A Future For Cambodia Cambodian Grrrl:

New Girl Law Anne Elizabeth Moore, 2013 The first American account of post Khmer Rouge Cambodia Anne Elizabeth Moore explores modern Cambodia and mixes personal narratives and experience to critiques of history and globalisation

Cambodian Grrrl Anne Elizabeth Moore, 2011-07-29 Winner of The Society of American Travel Writers Bronze Travel Book Award In **Cambodian Grrrl** Self Publishing in Phnom Penh writer and independent publisher Anne Elizabeth Moore brings her experience in the American cultural underground to Cambodia a country known mostly for the savage extermination of around 2 million of its own under the four year reign of the Khmer Rouge Following the publication of her critically acclaimed book *Unmarketable* and the demise of the magazine she co published *Punk Planet* and armed with the knowledge that the second generation of genocide survivors in Cambodia had little knowledge of their country's brutal history Moore disembarked to Southeast Asia hoping to teach young women how to make zines What she learned instead were brutal truths about women's rights the politics of corruption the failures of democracy the mechanism of globalization and a profound emotional connection that can only be called love Moore's fascinating story from the cusp of the global economic meltdown is a look at her time with the first all women's dormitory in the history of the country just kilometers away from the notorious Killing Fields Her tale is a noble one as heartbreaking as it is hilarious staunchly ethical yet conflicted and human The in depth examination of Moore's stint among the first large group of social justice minded young women from the impoverished provinces is told in intimate mood evocative beautifully written first person prose **Cambodian Grrrl** is the first in a series of short essay collections on contemporary media art and educational work by for and with young women in Southeast Asia Part memoir and part investigative report Moore's story could only be told by her and the result is illuminating and vital reading

New Girl Law Anne Elizabeth Moore, 2013-03-01 When Moore a writer and independent publisher brought her experience in the American cultural underground to Cambodia on the cusp of the global economic meltdown she intended to share a skill that would allow young people the opportunity to archive their own stories Instead the second generation of Khmer Rouge survivors she worked with ended up rewriting history The *Cambodian Chhap Srei* is a 17th century book that intended to establish a code of conduct for young women Staunchly traditional but repressive and frustrating the first large group of young women in Cambodia decide to rewrite it with Moore The year long process culminates in a grand discussion of human rights and gender equity and a hand bound book for all participants Tragically the completed book was banned and censored in both Cambodia and the U S But what these bold young women learn next about when they are allowed to speak and to whom is chilling

(Re)Constructing Memory: Education, Identity, and Conflict Michelle J. Bellino, James H. Williams, 2017-02-08 How do schools protect young people and call on the youngest citizens to respond to violent conflict and division operating outside and sometimes within school walls What kinds of curricular representations of conflict contribute to the construction of national identity and what kinds of encounters challenge

presumed boundaries between us and them Through contemporary and historical case studies drawn from Cambodia Egypt Northern Ireland Peru and Rwanda among others this collection explores how societies experiencing armed conflict and its aftermath imagine education as a space for forging collective identity peace and stability and national citizenship In some contexts the erasure of conflict and the homogenization of difference are central to shaping national identities and attitudes In other cases collective memory of conflict functions as a central organizing frame through which citizenship and national identity are re constructed with embedded messages about who belongs and how social belonging is achieved The essays in this volume illuminate varied and complex inter relationships between education conflict and national identity while accounting for ways in which policymakers teachers youth and community members replicate resist and transform conflict through everyday interactions in educational spaces

Beyond The Music Joe Biel, 2012-10-12 Punk is notorious for its loud music aggressive attitude and safety pinned style Less well known is the radical value system that has emerged hand in hand with the sound and aesthetic Since the 1970s punks have built their music fashion and lifestyles around core values of social justice creative freedom community integrity fiercely democratic politics and do it yourself ingenuity From journalism to psychology graphic design to alternative fuel bodybuilding to the Occupy movement these interviews show just some of the ways that punk values continue to shape mainstream American life Includes interviews with among many others Ian Mackaye Nate Powell Cristy Road Ben Weasel Brea Grant Joshua Kahn Russell Wells Tower Sander Hicks Anne Elizabeth Moore and Chris Clavin and an afterword by Mark Andersen of Positive Force DC

Cambodian Grrrl Anne Elizabeth Moore, Mu Sochua, 2011 Memoir of the author s experiences teaching self publishing and writing to a group of young women in Cambodia
