

PRODUCT IDENTIFICATION

The tractor and major components are identified using serial numbers and/or manufacturing codes. Tractor identification data must be supplied to the dealer when requesting parts or service and will also be needed to aid in identifying the tractor if it is ever stolen.

The following provides the locations of the identification data.

Vehicle Identification Plate

The vehicle identification plate, 1, is located on the front of the air cleaner, at the right-hand end, as shown. Record the information on the sample identification plate provided below.

Figure 3-1-1

Tractor Identification

The serial number and model identification information is stamped on the top of the front support (2). These numbers are also repeated on the vehicle identification plate reproduced above.
