Global Game Jam Stories Lindsay Grace, Susan Gold, 2018-07-18. At the ten year anniversary of the Global Game Jam R, we collected community provided stories and images from around the globe. We simply asked our community to share their experiences which we have arranged chronologically for our readers. Some of the stories are funny, some demonstrate perseverance and yet others just remind us how wonderful the Global Game Jam has become. The stories are included in the original language of the author with English translation and provided without major editing. They share the tone and spirit of the author's own experience. The Global Game Jam R experiment started 10 years ago and it has grown from 1,650 participants in 2009 to the more than 42,000 people who participated in 2018. This growth and successes comes from the tapestry of individual efforts that makes each year bigger and better than the previous. Much like a Global Game Jam, this book was created by pooling the time and effort of people all over the world.
