how to get the most out of PlayStation TV **The Unofficial PlayStation Handbook** Katie Morris,2014-11-10 If you are new to the PlayStation console or just want to learn more this is an essential guide for you With chapters covering PS3 PS4 and PlayStation TV this guide covers every aspect of PlayStation you can think of This book is a bundle of three books Each section can also be purchased individually Please note this book is neither written or endorsed by Sony and should be considered unofficial *ComMODify* Shenja van der Graaf,2017-10-27 This book critically analyses user firm technology relationships and socioeconomic structures at the crossroads of community and commerce It investigates businesses that let users participate in platform development on the internet An empirical study of the online world Second Life is used as an early illustration of the pivotal role of user participation in design development and sustainability of digital platforms Van der Graaf sheds light on aspects of the ongoing platformization of the internet and on new norms and mechanisms for user participation which are linked to values of creativity community and labour ComMODify makes clear that robust theoretical and empirical investigation of the integration of user participation into mainstream business models and its implications for platform development is key to understanding contemporary businesses like Facebook that sustain the internet of today This book will be of interest to those wanting to learn more about the socio economic implications of user participation associated with user generated content particularly within the 3D software and game industry **Gaming and the Divine** Frank G. Bosman,2019-03-04 This book formulates a new theological approach to the study of religion in gaming Video games have become one of the most important cultural artifacts of modern society both as mediators of cultural social and religious values and in terms of commercial success This has led to a significant increase in the critical analysis of this relatively new medium but theology as an academic discipline is noticeably behind the other humanities on this subject The book first covers the fundamentals of cultural theology and video games It then moves on to set out a Christian systematic theology of gaming focusing on creational theology Christology anthropology evil moral theology and thanatology Each chapter introduces case studies from video games connected to the specific theme In contrast to many studies which focus on online multiplayer games the examples considered are largely single player games with distinct narratives and end of game moments The book concludes by synthesizing these themes into a new theology of video games This study addresses a significant aspect of contemporary society that has yet to be discussed in any depth by theologians It is therefore a fantastic resource for any scholar engaging with the religious aspects of digital and popular culture Letters to Santa Claus The Elves,2015-10-05 A poignant collection of real letters sent to Santa Claus a town in Indiana from the 1930s to the twenty first century from both children and adults The New York Times For countless Christmases children and sometimes adults have stuffed their dreams wishes and promises into envelopes Over many decades millions of these letters have poured into Santa Claus Indiana Arriving from all corners of the globe the letters ask for toys family reunions snow and help for the needy sometimes the needy being the writers themselves They are candid heartfelt and often blunt Many children wonder how

Santa gets into their chimneyless homes One child reminds Santa that she has not hit her brothers over 1 350 times that year and another respectfully requests two million dollars in cold cash One child hopes to make his life better with a time machine an adult woman asks for a man and one miscreant actually threatens Santa s reindeer Containing more than 250 actual letters and envelopes from the naughty and nice reaching back to the 1930s this moving book will touch hearts and bring back memories of a time in our lives when the man with a white beard and a red suit held out the hope that our wishes might come true Often very affecting also offers an unusual window into American history Library Journal The letters are alternately silly and somber hilarious and heartfelt The Weekly Standard

Virtual Character Design for Games and Interactive Media Robin James Stuart Sloan,2015-05-07 While the earliest character representations in video games were rudimentary in terms of their presentation and performance the virtual characters that appear in games today can be extremely complex and lifelike These are characters that have the potential to make a powerful and emotional connection with gamers As virtual characters become more *Game Localization* Minako O'Hagan,Carmen Mangiron,2013-08-29 Video games are part of the growing digital entertainment industry for which game localization has become pivotal in serving international markets As well as addressing the practical needs of the industry to facilitate translator and localizer training this book seeks to conceptualize game localization in an attempt to locate it in Translation Studies in the context of the technologization of contemporary translation practices Designed to provide a comprehensive introduction to the topic of game localization the book draws on the literature in Game Studies as well as Translation Studies The book s readership is intended to be translation scholars game localization practitioners and those in Game Studies developing research interest in the international dimensions of the digital entertainment industry The book aims to provide a road map for the dynamic professional practices of game localization and to help readers visualize the expanding role of translation in one of the 21st century s key global industries
