Starseeds What's It All About? Alexander Quin, 2022-06-03 In the 1960s, legendary hypnotherapist Dolores Cannon began working with patients who had smoking and eating issues. When taken deep into their subconscious, a surprising thing happened. No matter their class, creed, or religion, clients from all over the world kept saying the same thing: "I came here to raise Earth's vibration." Upon returning to full consciousness, this was something of a confusion to people at the time, especially prior to crossing the great marker in 2012 when Earth moved into a much higher photonic area of the cosmos, changing the magnetics and many other elements that trigger our DNA and consciousness. This book acts as a 360-degree connector, giving a beginner to master level explanation of the Starseed phenomenon, which is currently exploding globally and where it has developed to since. It links together various information and insights spiritually, metaphysically, and scientifically so that the phenomenon can be broken down into disparate parts.

and understood from a very unique vantage point as a connected whole This book offers the why who how when and where For a very long time humanity has been kept in the dark about its spiritual and cosmic inheritance Who would do such a thing and what would they gain from such an endeavour In an age of lies everything has become a conspiracy theory and the truth is far stranger than fiction We are not having a global awakening but a remembrance of who we really are a return to our true selves We are from the stars and we are not alone

The Awakening of Humanity: What You Need to Know

Michael Moriarty, 2017-08-29 The book will seek to orient the newly awakened to the situation that they find themselves in on this planet to how they seem to be powerless but in truth are in possession of all power It will show them how they can liberate themselves from their seeming slavery Finally it will show them that by applying the Law of Attraction in order to create their own version of Paradise on Earth they can help heal Humanity heal the Earth and reintegrate the planet into the Galactic community as an ascended 4th Density civilization

The Message on My Arm HERMANELI

TORREVILLAS, 2014-09-26 This new book sheds light on the existence of Extraterrestrial Beings Author H Torrevillas M D invites readers to embark on a fascinating journey to unlock some of life's greatest mysteries The author shares his many encounters that made him lean towards the study of intuitive feelings as well as psychic phenomena that relate to the mystifying world of the unknown From the cradle to the grave our parents peers institutions and society form our values and behavior but this process has been hijacked This book opens our minds to the fact that unknown to us for generations we have allowed dictators power brokers and corporate puppeteers to profit from our ignorance and enslavement From the anvil of compulsory schooling to media and entertainment we are being kept in bondage to ideas that shape our actions But the author is optimistic that we can overcome negative forces that control our minds and those of our leaders He had been in a quandary in his early years regarding paranormal happenings in his life Rather than ignore them as skeptics are inclined to do Dr Torrevillas regarded them as significant in his life
