**Les origines religieuses du mondialisme** H. Ryssen, *La Plume de Ma Tante* Joe Frey, 2002 This is a rollicking good story that takes place in mid century 1950 Europe is still recovering from the Great War and it will be more than a decade before the start of the jet age and the ubiquitous McDonald s The story is penned by a witty naive American who blithely travels to Switzerland to attend the University expecting the same academic life The first of many surprises is that sex in the old world or new world is liberated He is beset with language problems people problems an abortion the suicide of a girl he knew far too well Experience the ruins of Germany while a bond is being cemented between the relation of two very different worlds Suffer through the 10 000 kilometer motorcycle trip one summer And of course our knight errant falls in love in a fairy tale romance with an unbelievable ending It s quite a ride When it s over and time to depart we find a melancholy man no longer a college kid The Hysteric's Revenge Rachel Mesch, 2006 Brings into relief a critical relationship between the female mind and body that is essential to understanding the discursive position of the turn of the century woman writer This book includes novels that confront this mind body problem through a wide variety of styles and genres that challenge conventional fin de siecle notions of femininity , **Johan Huizinga 1872-1972** W.R.H.
