

Healthy Mind, Healthy Body.

Health do not come automatically
Must have good health habits systematically
Naturally, not by medicine, but finding the cause
Look into the mind and give it a pause.

When we get sick, calm down, look into your being
What caused, how can you stop and find healing
When you find where you made mistake
Correcting it brings up healing, you'll became awake.

Do not blame everybody for your problem,
You made it, possibly unconsciously with your own system.
Stop negativity, fear and blame
Your life will change without sickness or shame.
