

An illustration on the left side of the card depicts a graduation cap (mortarboard) with a tassel, resting on a stack of three books with purple, blue, and brown spines. A rolled-up diploma tied with a ribbon lies in front of the books. Green leaves and vines are scattered around the books and cap. The entire scene is set against a white background with a green border.

For My Daughter On Graduation Day

Today, as you graduate,
one chapter in your life has closed,
and another is about to begin.
The future stands bright before you,
so take hold of your dreams,
and no matter what...don't let go.

There will be times ahead
when you will feel overwhelmed,

but try not to give up,
for nothing which is worth anything,
comes without hard work and sacrifice.

When you were a little girl
I held your hand.

I guided you and protected you
as best I could.

It's time for me to let go now.

There is some pain in that.
Still, there is also a wonderful sense
of pride and accomplishment

as I look at the beautiful, young woman
that you have become.

I love you, Sweetheart, and I pray
that my love will sustain you.

It's time now...

Spread your wings and fly!
