## **Rediscovering The New Testament Church:**

**Rediscovering the New Testament Church** Anthony Jacomb-Hood, 2014-12-22 The vast majority of Western Christians assume that church as we know it is somehow patterned after New Testament norms with our services our pastors and priests and our Sunday morning sermons Rediscovering The New Testament Church gently challenges that assumption meticulously uncovering the New Testament description of what God calls church Have we perfected what God set in motion or did we fix what was never broken in the first place *The Miraculous Assembly* Oluyemi Ogunjimi, 2021-10-06 In The Miraculous Assembly God reaches out to those who seek validation of their Christian experience and long to manifest His presence Miraculous is not what the New Testament Church does it is what she is In search of acts of wonder she is losing her true nature It is time to rediscover and recover her essence as The Miraculous Assembly The Church is a temple that Jesus Christ is building for God Currently many local churches employ wrong motives and use alien practices to build His Church These methods have changed the perception of what the Church is and many Christians do not know who they are in Jesus Christ Strange practices have gradually crept into the Church psychologists hypnotists and capitalists are gradually replacing the truth of God with a lie They define the Church and authenticity of the Christian experience by cheap acts of wonder which they can easily counterfeit Showmanship is replacing Christlikeness When a construction project is in danger of going wrong the architect calls the attention of the engineers and artisans to the building plans This book is a call by the Lord for His builders to return to the plan He calls Pastors Church Leaders and Christians alike to fall in line before an imminent pruning of the Church by the Father This Bible centered book shows that it is all in His word The Old Testament is the blueprint for the New Testament and the early Church is a model to follow Inside this book you will find An exploration of the roles and nature of miracles and the Church Keys for Christians and local churches to experience the miraculous life The triune means of God's presence with His people The triune foundation of the Church Types of anointing and speaking in tongues Four chapters on speaking in tongues Biblical keys to Church growth The true signs of God's presence as His timeless unmistakable sovereign acts in His assembly What it means to have a God centered life and a God centered Church
