Rediscovering The New Testament Church:

Rediscovering the New Testament Church Anthony Jacomb-Hood, 2014-12-22 The vast majority of Western Christians assume that church as we know it is somehow patterned after New Testament norms with our services our pastors and priests and our Sunday morning sermons Rediscovering The New Testament Church gently challenges that assumption meticulously uncovering the New Testament description of what God calls church Have we perfected what God set in motion or did we fix what was never broken in the first place **The Miraculous Assembly** Oluyemi Ogunjimi, 2021-10-06 In The Miraculous Assembly God reaches out to those who seek validation of their Christian experience and long to manifest His presence Miraculous is not what the New Testament Church does it is what she is In search of acts of wonder she is losing her true nature It is time to rediscover and recover her essence as The Miraculous Assembly The Church is a temple that Jesus Christ is building for God Currently many local churches employ wrong motives and use alien practices to build His Church These methods have changed the perception of what the Church is and many Christians do not know who they are in Jesus Christ Strange practices have gradually crept into the Church psychologists hypnotists and capitalists are gradually replacing the truth of God with a lie They define the Church and authenticity of the Christian experience by cheap acts of wonder which they can easily counterfeit Showmanship is replacing Christlikeness When a construction project is in danger of going wrong the architect calls the attention of the engineers and artisans to the building plans This book is a call by the Lord for His builders to return to the plan He calls Pastors Church Leaders and Christians alike to fall in line before an imminent pruning of the Church by the Father This Bible centered book shows that it is all in His word The Old Testament is the blueprint for the New Testament and the early Church is a model to follow Inside this book you will find An exploration of the roles and nature of miracles and the Church Keys for Christians and local churches to experience the miraculous life The triune means of God's presence with His people The triune foundation of the Church Types of anointing and speaking in tongues Four chapters on speaking in tongues Biblical keys to Church growth The true signs of God's presence as His timeless unmistakable sovereign acts in His assembly What it means to have a God centered life and a God centered Church

Rediscovering Jesus David B. Capes, Rodney Reeves, E. Randolph Richards, 2015-07-08 Who is your Jesus This textbook introduction gives an enjoyable and challenging look at how we encounter Jesus in Scripture and our culture from the New Testament to the gnostic gospels historical Jesus studies Islam Mormonism Hollywood and Americana Follow the path to seeing Jesus truly and notice the difference it makes for faith and life **Practical Christianity** Ira Milligan, 2021-12-12 Practical Christianity Rediscovering the New Testament Church is a field manual for effective spiritual warfare God's mighty army is disorganized and uncertain of how to fight against the subtle and deceptive hit and run tactics the enemy is using This book's twofold purpose is to provide a biblical training manual to raise up an effective fighting force for war along with detailed instructions for making a new wineskin to serve the new wine that God has for this generation Our old wineskin

cannot contain or sustain the billion soul end time harvest that God has planned To fight and win a billion souls to Christ and then lose them from the lack of a trained workforce to nurture and disciple them would be a catastrophic loss The time to prepare is now

The Restless Church Mark Fairley, 2014-02-19 Many people are longing for a greater cause They are no longer content with church as usual They read of the church in the New Testament and their curiosity is piqued The New Testament accounts are far removed from their experience every week They hear contemporary stories of the church expanding rapidly in parts of China and India and their hearts soar Neil Cole Have you ever read the Bible and wondered why the early church is so far removed from the one we experience today Have you ever wondered why a church so thrilling real authentic and powerful in the pages of the New Testament seems to have been rendered so dull fake hypocritical and weak by our contemporary formulas Are you tiring of a stale weekly ritual that doesn't seem to be making any discernible difference The truth is that the church we have come to know looks very little like the one Jesus intended The simple informal community characterised by love that we read about in Acts has become a formalized ritual driven by apathy fear comfort market forces and man made tradition Over time the vibrant community of Jewish believers who fearlessly spread the gospel healed the sick and cast out demons has become a broken empty institution and an irrelevance to the world around it And now provoked by the Holy Spirit the church is getting restless We're beginning to question the rituals the churchianity and the Sunday show routine and starting to ask what it might be like to go back to genuine New Testament Christianity There's a longing to be a part of that vibrant loving informal powerful raw and life changing community once again In *The Restless Church* we deconstruct what the church has become show what a genuine New Testament church might look like today and invite you to become part of the worldwide movement for change

[The Church according to Paul](#) James W. Thompson, 2014-09-09 Amid conflicting ideas about what the church should be and do in a post Christian climate the missing voice is that of Paul The New Testament's most prolific church planter Paul faced diverse challenges as he worked to form congregations Leading biblical scholar James Thompson examines Paul's ministry of planting and nurturing churches in the pre Christian world to offer guidance for the contemporary church The church today as then must define itself and its mission among people who have been shaped by other experiences of community Thompson shows that Paul offers an unprecedented vision of the community that is being conformed to the image of Christ He also addresses contemporary misunderstandings of words like missional megachurch and formation

The Challenge of Acts N. T. Wright,2024-10-22 A new and inviting introduction to the Acts of the Apostles from New Testament scholar and theologian N T Wright Acts is a substantial book It sits right in the middle of the New Testament looking back to the four Gospels and ahead to the mission of the early church It provides a framework for our understanding of the letters but it does more than that Acts offers a sophisticated and nuanced view of what it means to think of the gospel of Jesus Israel s Messiah going out into the world over which Israel s Messiah claims the status of Lord This Christian movement and thinking detailed in Acts entailed confronting the wider culture of the Greek and Roman world as well as the culture of the Jewish world which provides us today with an important message as we ourselves face new questions about gospel and contemporary culture From the renowned author of Into the Heart of Romans N T Wright brings to the book of Acts his expert s eye on theological nuance and cultural context distilling it down into an introductory commentary perfect for anyone looking to take their own reading a little deeper and discover the profound and often forgotten potential of the church and the Way of Jesus Christ

Neither Yavne nor Antioch Joel Heller,2022-01-27 When Rome flattened Judea in the late first and early second centuries of the Common Era Rabbinic Judaism regrouped and reorganized at the Academy in Yavne Greek speaking gentile proto orthodox Christianity headquartered in Antioch Syria and the Nazareans the original Jewish and God fearer Hebraically minded Followers of the Way escaped to Pella Rejected by both the rabbis and the bishops the Nazareans have often had to go underground but they have never gone extinct They have resurfaced from time to time throughout the succeeding two millennia Now at the beginning of the Third Great Awakening in what some believe will be the last Reformation before the Second Coming the Nazarean movement is experiencing a renaissance Neither Yavne nor Antioch Recovering Nazarean Judaism celebrates that new birth

Rediscovering the Church Lynne Hybels,Bill Hybels,1995 Rediscovering Church is the candid story of Willow Creek Community Church s phenomenal growth from 100 members meeting in a Palatine Illinois movie theater to its present Sunday morning attendance of 15 000 Bill Hybels and his wife Lynne tell about Willow Creek s beginnings its struggles the philosophy behind its success and the strategies that have made it a model for church growth The first half of the book written by Lynne Hybels explores the early years of Willow Creek and the personal accounts behind one of this century s most remarkable church stories It offers an honest look at the ways God has used both the strengths and weaknesses of His people creating a church of believers who

have had tremendous impact for Christ in their community In the second half of Rediscovering Church Bill Hybels helps you apply the strengths of Willow Creek s ministry philosophy to your own congregation s mission From mission statements to developing leadership making sound financial decisions and handling growth Bill stresses that God wants to build His church to be an effective and committed community of faith that reaches out to a hurting world to be the body of Christ in real and tangible ways Rediscovering Church draws on the experiences of Willow Creek to show how one fellowship crystallized its mission and methodology its vision and values The Willow Creek story provides an example that churches and individuals alike can turn to for inspiration encouragement and a means of uncovering the pattern for their own unique mission and ministry The American Church Monthly ,1918 **Rediscovering the Lord's Supper** Markus Barth,2006-09-01

Following his father s classic work CHURCH DOGMATICS Markus Barth considered the doctrine of the Lord s Supper which had not received a full treatment His work resulted in an exegesis of the Lord s Supper texts in the Synoptics the Fourth Gospel and the Pauline letters His perspective sees the Lord s supper and its accomanying Agape meal as a symbolic event that allows God s people to commune in an atmosphere that remains open to all including the Jews whose Passover continues to shed light on this sacrament His presentation covers the Lord s Supper Passover the relationship of Christians and Jews and the participation of children in communion He challenges the definitions of Baptism Eucharist and Ministry as expressed in the Lima Document offering one of the most sharply stated alternatives available His discussion provides a reexamination of the Lord s Supper as a symbol of ecumenism the opportunity for all God s people to celebrate together This approach makes an important ecumenical contribution to understanding the Lord s Supper from a New Testament perspective
