Wilson, 2005-04-20 A collection of poetic works containing reflections observations and feelings accumulated over the years in a life committed to the Christian walk of faith **In My Reflection** Ameerah A. Rahman, 2011-04-19 This book is written to inspire people from all walks of life To bring love loss pain happiness empowerment and inspiration into light To share the power of words some words are a comfort to some and some words are revealing for others Words are extremely powerful and can cause so many emotions and actions This book is best described in this poem I keep trying to lay out all of my expressions and feelings with out trying to be too revealing and with trying to be too concealing and as I pull back each layer of skin peelings another layer appears concealing my anger love and fears blood rolling over each pain even as the needle penetrates the vein the lines are not clear but the skin is left stained And a message is sent to the brain As its trying to push back the memories The lies I created In attempt to deceive Living in the world of make believe Even though Im speaking its not truly describing the pain So I scream louder thing that you can now hear me but instead of it the words coming out clear In the air they are crisp sounds of despair heart needed to repair holding back words trying not to swear Not to ignite a fire Im not sure thats there Unsure if I should share If I could repair The damage that is done here concealed not revealed and not truly healed but Healing I pull back this layer of Skin and let You in Thick Skin Copyright 2010 **Children's Books and Their Creators** Anita Silvey, 1995 Unique in its coverage of contemporary American children's literature this timely single volume reference covers the books our children are or should be reading now from board books to young adult novels Enriched with dozens of color illustrations and the voices of authors and illustrators themselves it is a cornucopia of delight 23 color 153 b w illustrations Chicorel Index to Poetry in Anthologies and Collections in Print Marietta Chicorel, 1974 *Young Adult Literature* Michael Cart, 2010-09 Helps YA librarians who want to freshen up their readers advisory skills teachers who use novels in the classroom and adult services librarians who increasingly find themselves addressing the queries of teen patrons *The Sphere*, 1903 **A Poetic Language of Ageing** Olga V.
