Reframing A Relevant Faith:

Reframing a Relevant Faith C Drew Smith, 2014-12-03 Many people expect faith to be inflexible and unchanging. It is relevant because it always has been at least to them. To admit change is to bring on the end of faith and all of its benefits. Others believe that a relevant faith is by nature shallow and unrooted. Author and educator Drew Smith disagrees. He believes that it is both possible and necessary to reframe faith in such a way that it is relevant to our present society. At the same time, this reframed faith is still a historic faith. It is definitely not shallow and in fact is rooted deeply in the person and teaching of Jesus. Chapters look at why a faith should be progressive, how it can be rooted in the scriptures, the importance of the person of Jesus, and what this means for the mission of the church. Each chapter includes questions for reflection and discussion, making it easy to use this guide in group study. Those who are looking for an alternative to an anti-intellectual and narrow Christianity will find in this book an essential and friendly guide.

Galatians Bruce G. Epperly, 2016-09-16 With this volume on Paul's Letter to the Galatians, Dr. Bruce Epperly, author of *Philippians: A Participatory Study Guide*, *Finding God in Suffering*, *A Journey with Job*, and *Transforming Acts: Acts of the Apostles as a 21st Century Gospel*, again brings the study of a Bible book to life for a 21st-century audience. Epperly founds his work in the results of modern critical scholarship, but he is not content with reciting scholarship or discussing history. He aims to make the study of this theologically central letter a transformative experience. He does so by never losing sight of the fact that human problems remain human problems and that human potentiality, touched by God's grace, can accomplish great things. He finds a message of liberation in this book. Liberation from our guilt, yes, but also liberation from our self-imposed limitations. Through reading, discussion, exercises, and thought questions, he leads the reader through a study that can only be described as an adventure. It's an adventure you won't want to miss.

Out of the Ashes Kenneth W. Arthur, 2017-08-10 This book seeks to help those who doubt or can no longer believe what they've been taught about Christianity; that they don't have to abandon their faith. Kenneth Arthur challenges traditional thinking and helps the reader move beyond fundamentalism by thoughtfully reflecting on theological alternatives. His life has truly been a pilgrimage, a search for meaning and purpose that includes belief and behavior as well as belonging, so he proposes a constructive theology based on his own experiences and education in conjunction with the Bible, well-known theologians, and other sources of revelation. Discussion questions at the end of each chapter invite conversation and provide a helpful resource for small groups.

Reframing Spiritual Formation Edward H. Hammett, 2002 *Reframing Spiritual Formation* takes seriously the realities of an increasingly secular, pluralistic, and spiritually thirsty population. Most churches face with fear yet are called to reach and disciple. Hammett provides succinct overviews of the challenges and opportunities these realities bring to the doors of churches and their leaders. His primary focus is on facilitative questions and practical ideas for discipling the church and the unchurched who are seeking grounding and meaning in this rapidly changing world.
