Re: Matthew Batey

To Whom It May Concern:

Mr. Batey worked for Church Plumbing & Heating for approximately one and a half years from October, 2014 through May, 2016. In that time he assisted us with a variety of activities including customer service, scheduling & dispatching for a group of seven technicians, and a number of marketing initiatives. His position was eliminated as a part of the generational transfer of company ownership.

I have known Matt personally since we attended high school together at Elkhart Memorial, graduating in 1996. In addition to serving his country as a Marine, Matt is a dedicated and hard-working team-player. He has always been willing to help out where needed and take on additional assignments. Please don't hesitate to contact me with any specific questions.

Sincerely,

Michael J. Church  
Vice President

**The Zurich Letters, Second Series ...** Parker Society (London), 1845 The Literary Churchman , 1861 **The Churches and the Third Reich** Klaus Scholder, 2018-05-04 This

monumental comprehensive controversial study is the first volume of a definitive history of the churches in Germany between the wars It is especially significant in that it is based on a great deal of original research into both religious and political sources and is the first book to work on the presupposition that an accurate picture of the churches in the Third Reich demands that both Protestant and Roman Catholic churches are studied side by side since it was the rivalry between the churches that in some ways contributed to their downfall Contrary to what has often been asserted Professor Scholder argues that Hitler did have a plan for the churches over a long period Crucial to that plan on the Catholic side was his desire for a concordat parallel to that achieved by Mussolini keeping the clergy out of politics which the Vatican was over hasty to meet it was the attempt to treat the Protestant churches in a similar way to the Catholic church which led to the difficulties that ended in the church struggle There is also a realistic analysis of the Jewish question documenting the churches failure in this area with severity and scholarly rigor The first part covers developments up to Hitler s seizure of power the second is devoted to the year 1933 during which all the major issues were in fact decided
