Reiki Level -1 Vishwjit verma, Km. Monika, Swami prakash, 2017-12-05 Reiki is a very easy healing technique to use After receiving the Reiki attunement all that is necessary to start Reiki flowing is to request it to do so Just ask or intent that begins to flow and it will Simply placing the hands on someone with the intention of healing will be enough to start it flowing Reiki will flow without you being in a meditative state You can talk with the patient or other and it will still flow However it flows better if you focus your awareness on the Reiki allowing your consciousness to merge with it Be aware of the sensation in your hands such as warmth tingling vibrations pulsations or a flow of energy You may also feel Reiki flowing through other parts of your body As you focus your attention on the flow and sensations of Reiki flowing through you your mind will be aware of the consciousness of Reiki Feelings of joy creativity balance uplift unlimited potential freedom creativity balance harmony or other positive states might arise in your being If your mind wanders off simply bring it back to the consciousness of Reiki By meditating during the treatment besides allowing Reiki to flow more strongly you also receive deep healing The more open to guidance from you higher self intuition and Reiki guides and your calm state of mind will affect the patient On the way of increasing the effectiveness of Reiki is to come from love compassion and kindness The more you use Reiki on yourself and other your energy level and healing capacity the amount of Reiki that you can channel increases You can increase your energy level and healing capacity by purification process and refraining from taking any toxins into your body meat and fish white sugar caffeine preservatives tobacco alcohol drugs by spiritual practices that raise your vibratory level meditation yoga

etc by healing yourself physically emotionally and mentally When giving treatment it is important to keep your fingers together This will concentrate the energy and create a stronger flow It is also important to sit in a comfortable position with the hands and arms relaxed since tension in your body will slow the flow of Reiki This includes following topics History of Reiki What is Reiki How does Reiki heal The Human Energy System The Reiki Principles Learning Reiki the attunement process Using Reiki Reiki Healing Techniqueso Hand position for Self Treatmento Hand position for treating otherso Healing and Balancing Chakraso Light Energy from the skyo Taking the Disease **Reiki Masters Training Manual**
