*Night of the Long Knives* Phil Carradice, 2018-10-30 The historian and author of *The Shanghai Massacre* presents an in depth chronicle of Hitler's plot to eliminate political rivals and his own SA Brownshirts In the summer of 1934 Adolf Hitler conducted a ruthless purge of his own fascist colleagues many of whom had helped the Nazi

Party rise to power The brawling street thugs of the SA had bludgeoned Hitler's political opposition into submission and played a significant role in transforming Germany into a dictatorship But in order to safeguard his absolute authority Hitler chose to eliminate any potential rivals And it was the SA that he feared most Officially called Operation Hummingbird the swift and merciless blood purge came to be known as The Night of the Long Knives Among Hitler's victims were personal friends like SA co founder Ernst R hm former German Chancellor Kurt von Schleicher and even former party comrades like Gregor Strasser Breaking the back of the SA and settling political scores the operation took somewhere between three hundred and a thousand lives Heydrich Ian Baxter,2022-09-08 Reinhard Heydrich along with Heinrich Himmler whose deputy he was will always be regarded as one of the most ruthless of the Nazi elite Even Hitler described him as a man with an iron heart He established his fearsome reputation in the 1930s as head of the Sicherheitsdienst SD the intelligence organization which neutralized opposition to the Nazi Party by murder and deportation He organized Kristalnacht and played a leading role in the Holocaust chairing the 1942 Wannsee Conference which formalized plans for the Final Solution In addition as head of the Einsatzgruppen murder squads in Eastern Europe he was responsible for countless murders Appointed Deputy Reich Protector of Bohemia and Moravia he died of wounds inflicted by British trained SOE operatives in Prague in May 1942 The reprisals that followed his assassination were extreme by even the terrible standards of Nazi ruthlessness Heydrich's shocking and leading role in the Nazi regime is graphically portrayed in this Images of War book

**The Man with the Iron Heart** Harry Turtledove,2008-07-22 What if V E Day didn't end World War II in Europe What if instead the Allies had to face a potent even fanatical postwar Nazi resistance Such a movement based in the fabled Alpine Redoubt was in fact a real threat ultimately neutralized by Germany's flagging resources and squabbling officials But had SS Obergruppenf hrer Reinhard Heydrich the notorious Man with the Iron Heart not been assassinated in 1942 fate might have taken a different turn We might likely have seen a German guerrilla war launched against the conquerors presaging by more than half a century the protracted conflict with an unrelenting enemy that now engulfs the United States and its allies in Iraq How might today's clash of troops versus terrorists have played out in 1945 In this imagined world Nazi forces resort to unconventional warfare using the quick and dirty tactics of terrorism booby traps time bombs mortar and rocket strikes in the night assassinations even kamikaze style suicide attacks to overturn what seemed to be a decisive Allied victory In November 1945 a truck bomb blows up the Nuremberg Palace of Justice where high ranking Nazi officials are about to stand trial for war crimes None of the accused are there when the bomb goes off but their judges all of them present and accounted for are annihilated Worse acts of terrorism follow all over Europe Suddenly the Allies especially the United States must battle an invisible enemy and sacrifice countless lives in a long seemingly pointless unwinnable conflict On the home front patriotism corrodes political fortunes are made and lost in the face of an antiwar backlash and a once proud country wonders how the righteous fight for freedom overseas has collapsed into a hopeless quagmire At once a novel of thrilling military

suspense intriguing alternate history and profound insight into contemporary affairs *The Man with the Iron Heart* is a tour de force by a storyteller of exceptional imaginative power **Nazi Propaganda: Jews in Hitler's Germany** Kate
