Until her parents let her in on the secret they've kept for nearly sixteen years Jael is the Chosen One. Born to be a vampire slayer her destiny was written in the Book of the Shunned. She's been chosen by God to set the Minnesota Loon Lake Amish community free from the grip of the Bishop an ancient and powerful vampire who has been using the Amish people for his own personal Jamba Juice. Will she willingly leave her friends and all she knows to follow her destiny to Minnesota or will the Bishop bring destiny down on her in Sunburn Nevada. With Amish made stakes at hand Jael is a vampire's worst nightmare and ready to kick some serious bloodsucker butt. Her parents forced to leave their plain and simple life to escape the clutches of the Bishop have trained their daughter to continue the fight begun thousands of years earlier by another slayer. Soon Jael is turning sweet sixteen and all heck will break loose. What readers are saying Author Barbara Ellen Brink simply created the freshest coolest most fun bend on the YA vampire tale I've read in years. With obvious homage to the original Buffy the Vampire Slayer this riveting action packed vamp rocking romp is a unique breath of fresh air unlike any of the myriad copy cat vampire series currently populating the YA section of your average Barnes and Noble and so much more. I don't normally like vampire books. But this isn't about vampires it's about a vampire slayer. Not only that it's captivating exciting and well written. The author writes a compelling action adventure yarn with an improbable premise Amish vampires and the Chosen an Amish girl destined to fight these extraordinary nightmares. This book didn't disappoint. It had a strong tough heroine who struggled between her calling and the desire to just be a normal girl. It had butt kicking action scenes and it had the kind of quotable lines we got when Buffy was at her snarky best. It had a thread of wry humor that ran throughout the book and nicely balanced out the drama and suspense that kept me reading late into the night. **American Motorcyclist**, 2007-05 American Motorcyclist magazine the official journal of the American Motorcyclist Association tells the stories of the people who make motorcycling the sport that it is.
