Redeem Me Lost Souls:

Lost Soul Josephine Jeffries, 2007-10 As a child growing up I had all the love that my parents could give but the struggles growing up very poor led me to rebel and I began to live life on the wild side In school there was constant pressure from all the other kids because I did not have all the luxuries that most of them took for granted Skipping school hitch hiking and getting high became my way of escape from all the pressures of growing up At the time I didn't know it but all of this was God's plan for me to prepare me for what was ahead There were so many times I put my life at risk just for a cheap thrill I should not be here now to write this book But by the grace of God I was spared from my stupidity and given the opportunity to tell my story The story of how God's love surpasses any and all struggles that this world can throw at you This is the story of my LOST SOUL I'm fifty two years old and sick My biggest dream has been to help impoverished and sick children and their families My Lord put it in my heart to write this book It took me one year to complete it Many times I prayed to the Lord to allow me to help all the children Now with the writing of this book I hope that I can My book really is God's book Lost Soul describes my life long struggle to fully serve my Lord who has always even in the darkest days of my life guided me to overcoming sadness and tragedy involving my friends relatives and myself It took me years to grow stronger to see the joy that only Jesus can give The Redeemer's Tears Wept Over Lost Souls John Howe, William Urwick, 1846 The Lost Soul Companion Susan M. Brackney, 2008-12-18 The ultimate survival guide for starving artists writers performers and anyone whose dreams can't be contained by an office cubicle Filled with down to earth advice and sustenance for your most far flung dreams The Lost Soul Companion is the perfect guide for anyone grappling with the darker side of creativity A source of support when your day job gets you down a refreshing reservoir of humor when you're knee deep in rejection slips this remarkable little book offers both inspiration and compassion plus surefire strategies for surviving in what can sometimes seem like a world of meanies From the anti procrastination chopstick plan to the importance of staying well nourished toaster oven snack recipes included The Lost Soul Companion will speak to anyone with big dreams and creative spirit who nonetheless finds it tough some days just to get out of bed *The Lost Soul: The Journey of Faith Leading Into the Heart Of a Soul* Rhonda Buchanan, 2022-08-01 For thirty four years I lived my life placing God in the category as the tooth fairy Santa Claus and the Easter bunny I attended a church for weddings and funerals I hated both Something about the chapels always made me anxious and nervous Maybe it was because of the way I felt about a God I didn't believe in At thirty four years old I was set in my ways when it came to any type of religion I was happy with my life I had a wonderful husband a company that was thriving a home I loved a nice car and we took vacations often I didn't want for anything I also worked for everything It was not handed to me on a silver platter I grew up in poverty a broken home along with bouncing from one place to another through my teens I was determined to be successful and by my standards I had made it The only thing that I failed at was the religion topic My husband would always try to get me to go to church or change my view For almost a decade he tried but it

fell on deaf ears We would disagree about it and I refused to participate in anything religious I thought I was doing a great job and had my life together That could be far from the truth I couldn't see it It was not until God himself visited me in my living room He knew he would not find me sitting in a church pew or even near one That's the day I found out I had it all wrong also the day that my husband's prayers were answered However he never expected my reaction or how it would ultimately affect him as well and change his life God wanted me to give up everything I worked so hard for However my husband didn't sign up for that So he too was faced with very hard decisions Are you wondering what God told me Well he told me to find a lady named Hellen in another country Nicaragua to be exact Let's just say my life changed that instant First of all I had to tell my husband I am changing the way I live and placed my most prized assets on the back burner my marriage my career everything I struggled and worked so hard for All my time energy resources are now going to be devoted to God You know the one I knew nothing about

The Redeemer's Tears Wept Over Lost Souls; and Two Discourses, on Self-dedication, And, on Yielding Ourselves to God John Howe (of Magdalen College, Oxford.), 1822 **Lost Soul, Wise Soul** Karen Joy, 2022-02-08 Explore Challenging Past Lives and How They Can Change Your Future Drawing on her most compelling client cases Karen Joy shows you the natural arc of a soul's journey over many lifetimes including violent or negative ones She reveals how our souls begin how we enter lives on earth and how facing a diverse range of experiences teaches us to be wiser and happier Over many lifetimes most souls have played the dual roles of victim and perpetrator The trauma of these past lives especially those that harmed others can burden your soul causing your present self to struggle with negative experiences Learn how challenges can lead you astray how energy can be carried from one incarnation to the next and how your soul can move toward balance Through inspiring case studies Lost Soul Wise Soul demonstrates how anyone can overcome a past life history of unethical or shameful behavior and live a life filled with peace love and joy
