**Crossroads Cant** Mary Elizabeth Grace, Seabrook, 1997      **Cultural Crossroads in the Ancient Novel** Marília P. Futre Pinheiro, David Konstan, Bruce Duncan MacQueen, 2017-12-04 The protagonists of the ancient novels wandered or were carried off to distant lands from Italy in the west to Persia in the east and Ethiopia in the south the authors themselves came or pretended to come from remote places such as Aphrodisia and Phoenicia and the novelistic form had antecedents in a host of classical genres These intersections are explored in this volume Papers in the first section discuss mapping the world in the novels The second part looks at the dialogical imagination and the conversation between fiction and history in the novels Section 3 looks at the way ancient fiction has been transmitted and received Space as the locus of cultural interaction and exchange is the topic of the fourth part The fifth and final section is devoted to character and emotion and how these are perceived or constructed in ancient fiction Overall a rich picture is offered of the many spatial and cultural dimensions in a variety of ancient fictional genres      *Redemption Lane* Blaufeld, 2015-02-18 Sometimes the past bleeds into the future Bess a wild party girl running from herself literally falls victim to her demons when she collapses in the most unexpected of places Lane a tightly wound up and coming CEO who can't seem to stop enabling his brother doesn't know what hit him when Bess falls at his feet and into his life It was a night she doesn't remember and one he can't forget But rather than stay and help the needy college coed Lane decides to teach his brother a long overdue lesson a decision that later comes back to haunt him and only adds fury to the transgressions of his past he is already fleeing from Years later Bess and Lane meet again She doesn't know him and he doesn't share that he knows what happened on that ill fated night when she almost died After all he has a web of complicated lies from his own youth to protect Both are seeking salvation in the arms of others and ignoring the truth that the only road to redemption lies in confronting your past When the past and present collide is there any chance at redemption      *Mystery Train, 50th Anniversary Edition* Greil Marcus, 2025-09-16 A 50th anniversary edition of the music classic with fully updated discographies and new introductions from Greil Marcus and Dwight Garner In this special 50th anniversary edition of the beloved Plume backlist staple first released in 1975 *Mystery Train*'s complex analysis of the relationship between rock n roll music and America is given new life with updated discographies and new introductions by Greil Marcus and Dwight Garner Rather than providing a general overview of influential bands and artists Marcus's definitive book focuses on just six virtually unknown early rock n roller Harmonica Frank the country blues singer Robert Johnson and some of the better known musicians who followed The Band Sly Stone Randy Newman and Elvis Presley This is the original book to take these rock legends and place them in the American culture of their time And now in 2025 *Mystery Train* continues its groundbreaking work for a new generation of readers and music lovers      **Volume 17: Kierkegaard's Pseudonyms** Dr Jon Stewart, Ms Katalin Nun, 2015-05-28 One of the elements that many readers admire in Kierkegaard's skill as a writer is his ability to create different voices and perspectives in his works Instead of unilaterally presenting clear

cut doctrines and theses he confronts the reader with a range of personalities and figures who all espouse different views. One important aspect of this play of perspectives is Kierkegaard's controversial use of pseudonyms. The present volume is dedicated to exploring the different pseudonyms and authorial voices in Kierkegaard's writing. The articles featured here try to explore each pseudonymous author as a literary figure and to explain what kind of a person is at issue in each of the pseudonymous works. The hope is that by taking seriously each of these figures as individuals we will be able to gain new insights into the texts which they are ostensibly responsible for.

**Globalizing Automobility** Gijs Mom, 2020-08-07 Why has car society proven so durable even in the face of mounting environmental and economic crises? In this follow-up to his magisterial *Atlantic Automobility*, Gijs Mom traces the global spread of the automobile in the postwar era and investigates why adopting more sustainable forms of mobility has proven so difficult. Drawing on archival research as well as wide-ranging forays into popular culture, Mom reveals here the roots of the exuberance, excess, and danger that define modern automotive culture.

***Literary Geography*** Lynn M. Houston, 2019-08-02 This reference investigates the role of landscape in popular works and in doing so explores the time in which they were written. *Literary Geography: An Encyclopedia of Real and Imagined Settings* is an authoritative guide for students, teachers, and avid readers who seek to understand the importance of setting in interpreting works of literature, including poetry. By examining how authors and poets shaped their literary landscapes in such works as *The Great Gatsby* and *Nineteen Eighty-Four*, readers will discover historical, political, and cultural context hidden within the words of their favorite reads. The alphabetically arranged entries provide easy access to analysis of some of the most well-known and frequently assigned pieces of literature and poetry. Entries begin with a brief introduction to the featured piece of literature and then answer the questions: How is literary landscape used to shape the story? How is the literary landscape imbued with the geographical, political, cultural, and historical context of the author's contemporary world, whether purposeful or not? Pop-up boxes provide quotes about literary landscapes throughout the book, and an appendix takes a brief look at the places writers congregated and that inspired them. A comprehensive scholarly bibliography of secondary sources pertaining to mapping physical and cultural geography, ecocriticism, and the role of nature in literature rounds out the work.

**Jewish/Christian/Queer** Frederick Roden, 2016-05-06 At a time when major branches of Judaism and most Christian denominations are addressing the relationship between religion and homosexuality, *Jewish Christian Queer* offers a unique examination of the similarities between the queer intersections of Judaism and Christianity and the queer intersections of the homosexual and the religious. This volume investigates three forms of queerness: the rhetorical, theological, and the discursive dissonance at the meeting points between Christianity and Judaism, the crossroads of the religious and the homosexual, and the intersections of these two forms of queerness, namely where the religiously queer of Jewish and Christian speech intersects with the sexually queer of religiously identified homosexual discourse. Including essays on literature and literary theory, Christian theology, Biblical, Rabbinic, and Jewish studies, queer theory, architecture,

Freud gay and lesbian studies and history Jewish Christian Queer will have a truly interdisciplinary appeal **Cultural Studies and Political Theory** Jodi Dean, 2018-10-18 This ambitious collection of work at the intersection of cultural studies and contemporary political theory brings together leading thinkers from both traditions Challenging the terms that have shaped the last 20 years of culture wars the essays in Cultural Studies and Political Theory reject the accusations of the right that everything is political and of the left that politics is everything They respond with an alternative with an exploration of processes of politicization and culturalization that asks what does it mean for something to be political In affirming that there are different answers to this question the contributors to Cultural Studies and Political Theory expand definitions of politics in light of transformations in globally networked consumer driven mediated technoculture Comprehending the production of the political is crucial at a time when the political and the cultural can no longer be decoupled and when we cannot know in advance who we are By gathering the work of theorists who are redefining approaches to politics and culture Jodi Dean establishes a set of directives for theoretical work at a new crossroads **Moody's Analyses of Investments and Security Rating Books** John Moody, 1923 **CONVERGENCE** Ronan James Cassidy, 2023-05-18 THE REDEMPTION SERIES 100 years after Margaret Anne transformed an American family comes the profound 4 part finale to the Calhoun saga BOOK TWO Convergence Sacrifice birthed the unsettled world of Margaret Anne Now only surrender can pave the way for closure Benjamin Mattingly Sonneman a prisoner and captive to the sins of the past has been tasked with delivering an ancient and valuable cross to its rightful guardian and heir his estranged child in Baltimore As he prepares for his journey he learns of the inspirational history behind the artifact the shadowy lineage that binds cross to child and receives warnings of the adversities he will confront along the way Soon after embarking on his quest time spent with his dubious travel companion begins to unravel the miserable realities of Matthew's own haunted past and illuminate the mistakes that ensnared him within the unstoppable odyssey of the cross When Matthew repeatedly ignores reminders regarding the importance of his faith and the traditions of those he represents on his sacred pilgrimage he must answer to the consequences of his choices And with every added hurdle to his course the crushing storm of uncertainty over what truly awaits him in Baltimore relentlessly intensifies threatening to consume him whole Convergence is the captivating continuation of the Redemption series uncovering the next intricate layer to the Margaret Anne saga of fate faith and reckoning **Radio Free Dixie, Second Edition** Timothy B. Tyson, 2020-01-28 This classic book tells the remarkable story of Robert F Williams 1925 1996 one of the most influential black activists of the generation that toppled Jim Crow and forever altered the arc of American history In the late 1950s Williams as president of the Monroe North Carolina branch of the NAACP and his followers used machine guns dynamite and Molotov cocktails to confront Klan terrorists Advocating armed self reliance Williams challenged not only white supremacists but also Martin Luther King Jr and the civil rights establishment Forced to flee during the 1960s to Cuba where he broadcast Radio Free Dixie a program of black politics and music that could be heard as far away as Los

Angeles and New York City and then to China Williams remained a controversial figure for the rest of his life Radio Free Dixie reveals that nonviolent civil rights protest and armed resistance movements grew out of the same soil confronted the same predicaments and reflected the same quest for African American freedom As Robert Williams s story demonstrates independent black political action black cultural pride and armed self reliance operated in the South in tension and in tandem with legal efforts and nonviolent protest

**A Consuming Faith** Susan Curtis,2001 In A Consuming Faith Susan Curtis analyzes the startling convergence of two events previously treated independently the emergence of a modern consumer oriented culture and the rise of the social gospel movement By examining the lives and works of individuals who identified themselves as social gospellers rather than just groups or individuals who fit a particular definition Curtis is able to capture the very fluidity of the term social gospel as it was used In addition to exploring the time in which the movement took shape Curtis provides biographical sketches of traditional figures involved in various aspects of the social gospel movement such as Walter Rauschenbusch Washington Gladden and Josiah Strong alongside those of less prominent figures like Charles Jefferson Elizabeth Stuart Phelps and Charles Macfarland Going beyond their roles in the movement Curtis shows them to be sons and daughters husbands and wives and workers and citizens who experienced the vast changes in their world wrought by industrialization and class conflict even as they sought to define a meaningful religious life The result of their quest was a redefinition of Protestantism that contributed to an evolving public discourse and culture This groundbreaking study now with a new preface by Curtis provides an illuminating look at culture and religion as interdependent influences and treats religious life as an integral part of American culture not a sacred world apart from the secular A Consuming Faith will be of interest to anyone who strives to understand not only the social and cultural history of America in the late nineteenth and early twentieth centuries but also the origins of modern America

**RECKONING** Ronan James Cassidy,2023-09-08 THE REDEMPTION SERIES 100 years after Margaret Anne transformed an American family comes the profound 4 part finale to the Calhoun saga BOOK THREE Reckoning Sacrifice birthed the unsettled world of Margaret Anne Now only surrender can pave the way for closure As Matthew s harrowing and highly anticipated journey to deliver the Spanish Cross into the hands of his estranged son reaches its climactic conclusion the one who has been ordained to fulfill the ancient promise of the often maligned and unjustly persecuted Miss Margaret Anne Basseterre is revealed Reckoning portrays the troubled life of Matthew s son David Michael Sonneman From his tragic and destitute beginnings which are sparingly revealed in Angel Ascending the story of David s life including the true nature of his trials and tribulations and his sacred mission is brought into focus in this scintillating and thought provoking third book of the Redemption Series When David ultimately discovers that his earthly salvation from that darkened basement in Baltimore was something far different than what he had always supposed he is forced to reconsider his lifelong desire to avenge those wrongs that were served upon him at least those wrongs that he understood as a young child He must decide between his developing faith which accompanies his hope for a

better tomorrow and those deeply entrenched desires to put an end to those responsible for the worst of his childhood afflictions when the true story of his life is made known to him Reckoning is the fascinating continuation of the Redemption series uncovering the next intricate layer to the Margaret Anne saga of fate faith reckoning and mercy **Finding Jesus in Israel** Buck Storm,2018-05-01 Finding Jesus in Israel a book for travel veterans people with wanderlust or readers who just love a good story We are all shaped and transformed by the oceans we sail the deserts mountains and valleys we wander and the people we meet along the way And as any traveler worth his salt knows the real trip happens within Sunday school stories are no longer just stories Israel is a tangible place populated with living souls Author and travel veteran Buck Storm takes an unvarnished look at the Holy Land with an off the bus peek into the people and places that make Israel such an amazing destination Part travel journal but mostly spiritual guide Finding Jesus in Israel takes you across the world to lands where Abraham settled through the very streets Jesus walked and to the shore of waters that Paul sailed Are you ready
