Living Spirit of Revolt Žiga Vodovnik,2013-11-01 The great contribution of Žiga Vodovnik is that his writing rescues anarchism from its dogma its rigidity its isolation from the majority of the human race He reveals the natural anarchism of our everyday lives and in doing so enlarges the possibilities for a truly human society in which our imaginations our compassion can have full play Howard Zinn author of *A People's History of the United States* from the Introduction At the end of the nineteenth century the network of anarchist collectives represented the first ever global antisystemic movement and the very center of revolutionary tumult In this groundbreaking and magisterial work Žiga Vodovnik establishes that anarchism today is not only the most revolutionary current but for the first time in history the only one left According to the author many contemporary theoretical reflections on anarchism marginalize or neglect to mention the relevance of the anarchy of everyday life Given this myopic mis conception of its essence we are still searching for anarchism in places where the chances of actually finding it are the smallest

The Lost World of British Communism Raphael Samuel,2017-01-31 A fascinating account of life as a member of the Communist Party of Great Britain *The Lost World of British Communism* is a vivid account of the Communist Party of Great Britain Raphael Samuel one of post war Britain's most notable historians draws on novels of the period and childhood recollections of London's East End as well as memoirs and Party archives to evoke the world of British Communism in the 1940s Samuel conjures up the era when the movement was at the height of its political and theoretical power brilliantly bringing to life an age in which the Communist Party enjoyed huge prestige as a bulwark for the struggles against fascism and colonialism

What's Left of Marxism Benjamin Zachariah,Lutz Raphael,Brigitta Bernet,2020-09-21 Have Marxian ideas been relevant or influential in the writing and interpretation of history What are the Marxist legacies that are now re-emerging in present day histories This volume is an attempt at relearning what the discipline of history once knew whether one considered oneself a Marxist a non Marxist or an anti Marxist

Burnt by Democracy Jacqueline Kennelly,2023-11-30 *Burnt by Democracy* traces the political ascendance of

neoliberalism and its effects on youth The book explores democracy and citizenship as described in interviews with over forty young people ages 16 to 30 who have either experienced homelessness or identify as an activist living in five liberal democracies Canada Australia New Zealand the United States and the United Kingdom Highlighting significant cuts to social and affordable housing astronomical increases in the costs of higher education and the transformation and erosion of state benefits systems Jacqueline Kennelly argues that democracy's decline is not occurring because young people are apathetic or focused on informal politics or unaware of their civic duties Rather it is because of collective misunderstanding about how democracy is actually structured how individuals learn to participate and how growing wealth inequality has undermined the capacity of those at the bottom to meaningfully advocate for changes that might improve their conditions Against a vivid and often heart breaking backdrop of stories from young people struggling to survive and thrive under conditions of ever expanding state retrenchment and inequality *Burnt by Democracy* makes a timely and impassioned plea for protecting and strengthening democracy by truly levelling the playing field for all New Statesman, 1929 Living with Health Inequalities Anne Rogers, David Pilgrim, 2023-11-30 This book explores how people encounter understand live with and respond to health risks associated with social economic and political inequality Complementing a traditional public health approach the book moves beyond a focus on categories of morbidity and their structural causes Instead it focuses on everyday understandings and actions for people living in unequal social conditions Making use of a variety of case studies related to physical and mental health the authors emphasise interpersonal relationships biographical meanings and the daily tactics of getting by These are recurrently linked to the social structural aspects of particular times and places The book Draws upon applies and extends the biopsychosocial approach which is well known to students of public health Respects and gives due weight to the experience in context of people who live with health inequalities in domestic and local settings Explores notions of personal agency and the contingencies of everyday life in order to offer a focused psycho social compliment to a public health tradition dominated by top down reasoning This is an important read for all those seeking to understand the complexities of health inequalities holistically in their studies research and practice The book brings together thinking in the fields of public health sociology mental health and social policy The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license **Obesity and Metabolic Surgery** Jürgen Ordemann, Ulf Elbelt, 2022-10-27 This book presents the surgical therapy of obesity and metabolic diseases in a practice oriented and detailed way The specific surgical procedures with their indications performance and risks are described precisely in words and pictures Special emphasis is placed on the choice of the appropriate surgical procedure for the individual patient In addition to the mechanisms of action interdisciplinary preoperative evaluation of the patient and postoperative aftercare are explained Furthermore surgical internal and psychosomatic complications and complication management are described Information on
