Reed S Reckoning:

Reed's Reckoning Ahren Sanders, 2014-08-27 Arianna Ari Williams thought she experienced the depths of true love until the man of her dreams dismissed her with no explanation Heartbroken and humiliated she found herself changing the course of her life and picking up the pieces of her shattered heart Now four years later she has a successful career amazing friends and a young son with crystal blue eyes that reminds her every day of the love she imagined Emotionally she has moved on but the wounds never healed Reed Matthews has it all Playing professional football was always his dream Being one of the most successful wide receivers in the league comes with money fame and all the women he wants Even with all his wishes coming true he never stops thinking of the one woman that owned his soul four years ago A chance encounter brings Reed to the realization that Ari Williams not only hid a life changing secret from him but also things weren't as they seemed all those years ago He's determined to get her back and build their lives together When the truth behind their deception is revealed friendships are tested families are torn apart and the one person behind it all is relentless Can Reed protect those he loves and build the future he dreamed of Due to graphic language and explicit sexual situations this book is recommended for readers 18

The Highland Bagpipe Dr Joshua Dickson, 2013-02-28 The Highland bagpipe widely considered Scotland's national instrument is one of the most recognized icons of traditional music in the world It is also among the least understood But Scottish bagpipe music and tradition particularly but not exclusively the Highland bagpipe has enjoyed an unprecedented surge in public visibility and scholarly attention since the 1990s A greater interest in the emic led to a diverse picture of the meaning and musical iconicism of the bagpipe in communities in Scotland and throughout the Scottish diaspora This interest has led to the consideration of both the globalization of Highland piping and piping as rooted in local culture It has given rise to a reappraisal of sources which have hitherto formed the backbone of long standing historical and performative assumptions And revivalist research which reassesses Highland piping's cultural position relative to other Scottish piping traditions such as that of the Lowlands and Borders today effectively challenges the notion of the Highland bagpipe as Scotland's national instrument The Highland Bagpipe provides an unprecedented insight into the current state of Scottish piping studies The contributors from Scotland England Canada and the United States discuss the bagpipe in oral and written history anthropology ethnography musicology material culture and modal aesthetics The book will appeal to ethnomusicologists anthropologists as well as those interested in international bagpipe studies and traditions *Empirische Dimension Altorientalischer Forschungen* Gebhard J. Selz, Klaus Wagensohn, 2011 This volume's 23 contributions from senior and younger researchers working with the Ancient Near Eastern heritage are based on the hypothesis of a general empiric attitude of Ancient Mesopotamian scholarship The articles try to elucidate these underlying
