Reed's Reckoning Ahren Sanders,2024-09-30 Ari Arianna Ari Williams thought she experienced the depths of true love until the man of her dreams dismissed her with no explanation Heartbroken and humiliated she found herself changing the course of her life and picking up the pieces of her shattered heart Now four years later she has a successful career amazing friends and a young son with crystal blue eyes that reminds her every day of the love she imagined Emotionally she has moved on but the wounds never healed Reed Reed Matthews has it all Playing professional football was always been his dream Being one of the most successful wide receivers in the league comes with money fame and all the women he wants Even with all his wishes coming true he never stops thinking of the one woman that owned his soul four years ago A chance encounter brings Reed to the realization that Ari Williams not only hid a life changing secret from him but also things weren't as they seemed all those years ago He's determined to get her back and build their lives together When the truth behind their deception is revealed friendships are tested families are torn apart and the one person behind it all is relentless Can Reed protect those he loves and build the future he dreamed of

House,1958 **Desperate Passage** Ethan Rarick,2008-02-04 In late October 1846 the last wagon train of that year s westward migration stopped overnight before resuming its arduous climb over the Sierra Nevada Mountains unaware that a fearsome storm was gathering force After months of grueling travel the 81 men women and children would be trapped for a brutal winter with little food and only primitive shelter The conclusion is known by spring of the next year the Donner Party was synonymous with the most harrowing extremes of human survival But until now the full story of what happened what it tells us about human nature and about America s westward expansion remained shrouded in myth Drawing on fresh archaeological evidence recent research on topics ranging from survival rates to snowfall totals and heartbreaking letters and diaries made public by descendants a century and a half after the tragedy Ethan Rarick offers an intimate portrait of the Donner party and their unimaginable ordeal a mother who must divide her family a little girl who shines with courage a devoted wife who refuses to abandon her husband a man who risks his life merely to keep his word But Rarick resists both the gruesomely sensationalist accounts of the Donner party as well as later attempts to turn the survivors into archetypal pioneer heroes The Donner Party Rarick writes is a story of hard decisions that were neither heroic nor villainous Often the emigrants displayed a more realistic and typically human mixture of generosity and selfishness an alloy born of necessity A fast paced heart wrenching clear eyed narrative history A Desperate Hope casts new light on one of America s most horrific encounters between the dream of a better life and the harsh realities such dreams so often must confront **The Companion Bible** E. western Africa Ross's heirs contested the will for more than a decade prompting a deadly revolt in which a group of slaves burned Ross's mansion to the ground But the will was ultimately upheld The slaves then emigrated to their new home where they battled the local tribes and built vast plantations with Greek Revival style mansions in a region the Americo Africans renamed Mississippi in Africa In the late twentieth century the seeds of resentment sown over a century of cultural conflict between the colonists and tribal people exploded begetting a civil war that rages in Liberia to this day Tracking down Prospect Hill's living descendants deciphering a history ruled by rumor and delivering the complete chronicle in riveting prose journalist Alan Huffman has rescued a lost chapter of American history whose aftermath is far from over
