Modern Book Production PERCY. FREER,2024-08 Bibliography and Modern Book Production is a fascinating historic journey through the fields of print history librarianship and publishing It covers key developments from 1494 to 1949 in bibliography and book production from the history of scripts and paper manufacture to the origins of typefaces and printing Although not a textbook the book was a guide for library students in the 1950s on the essential literature of librarianship As the first librarian appointed to Wits University in 1929 Percy Freer s near encyclopaedic knowledge of the subject of bibliography enabled him to develop a key resource for relevant library examinations in South Africa and abroad Due to its

immense value as a historic record and to acknowledge Freer's contributions as scholar librarian and publisher it is being reissued as part of the Wits University Press Re Presents series to make it accessible to scholars in book histories publishing studies and information science
