White, 2009-08 During her 70 year ministry the author spoke through her pen to young people to church members and to the world in the *Youth's Instructor* the *Review and Herald* and *The Signs of the Times* Selections for this book have been drawn from these three periodicals as well as from her books and previously unpublished manuscripts and letters Foreword **How to Lead a LifeGuide® Bible Study** Jack Kuhatschek, Cindy Bunch, 2011-11-18 You can be the match that ignites a great Bible discussion You only need a few basic skills This ten session guidebook by Jack Kuhatschek and Cindy Bunch both veteran discussion leaders and experienced LifeGuide Bible Study creators will show you how to lead discussion how to start a group how to decide what to study and much more **Confidence in Christ** Mike Bradfield, 2018-05-24 Has science proven that the Bible is an archaic artifact and that Darwin revealed the origin of life Not so In fact recent developments in a wide range of sciences such as physics astronomy archaeology and human genome DNA studies continue to reveal that what the Bible has been saying all along and all alone is exactly correct As scientific discoveries have been exploding over the last several

decades the evidence supporting the Bible and the Christian faith is exploding right in step with these new findings The closer science draws to the ultimate truth the closer it draws to the Bible and to revealing just how correct the Bible is concerning the origin of the universe life and the historicity of Jesus Christ In Confidence in Christ author and engineer Mike Bradfield starts at the beginning of time and proceeds chronologically pointing out exciting scientific evidence to support the Christian faith The easy to understand format addresses a number of questions How did the universe begin Does the big bang theory eliminate God Did God really create the entire universe in six literal days How did life begin How do dinosaurs fit in the biblical timescale Did we evolve from apes and what are human genome studies revealing Is humankind millions or thousands of years old Is there credible evidence outside the Bible for Jesus Is Jesus really the prophesied Christ The eye opening evidence in Confidence in Christ should cause you to pause rethink and reaffirm your views of the validity of the Christian faith *The Great Reflection* D. L. Herring,2007-10-12 Many faithful Christians go weekly to church hear the word and read it for themselves Yet few realize the truths that go unnoticed just below the surface No I am not speaking of Bible codes The Bible has been described as a chest filled with treasures Some are old and comfortable while others are new and challenging Are you a seeker of truth Then dig into The Great Reflection **Threshold Bible Study** Stephen J. Binz,2012-10-22 Unusual Healings Leader Guide Adam Thomas,2014-04-15 In the Gospel According to John Jesus never says Your faith has made you well He heals no fewer than five people over the course of the Gospel How can this be And how do the healings speak to the lives of contemporary Christians During the sessions of this module Unusual Healings we will learn that responding to Jesus call in our lives and discovering a personal identity based on his divine identity naturally lead to healing new life and mission Session 1 Get Up and Walk Noticing When Healing Happens to You Session 2 Go and Wash Noticing an Identity You ve Always Had Session 3 Come Out of the Tomb Noticing the Gifts God Gives You Session 4 Feed My Sheep Noticing When Christ Heals You for Mission Each session begins with an opening prayer followed by the text of the day being read aloud The group will enjoy a 5 7 minute video where Adam shares his thought on the Scripture and its unusual focus The group will discuss the readings for the day then close with prayer The new and exciting aspect of this particular Bible study series is the blending of traditional weekly Sunday school with modern daily delivered digital content which will keep readers connected with the material throughout the week Between the daily communication and the group gatherings participants will immerse themselves in the Good News The emails that accompany this study are crucial to the small group experience and leaders should notify small group members to subscribe for their emails at least 1 2 days in advance of the first gathering *Unusual Names Leader Guide* Adam Thomas,2014 The first two times Jesus says I am no predicate nominative follows Remember seventh grade English class a predicative nominative is a noun that follows a linking verb The first time he says I Am the one who speaks with you to the woman at the well The second time he says I Am Don t be afraid to the disciples In both cases the words stands alone I AM These statements are declarations of God s very being

and they appear several more times over the course of the Gospel A broader statement cannot be made I AM is as close as language can get to universality and eternity One School of the Miraculous Study Guide Kynan Bridges,2020-07-14
