The Three Little Pigs set out to build homes of their own. The first little pig threw together a simple house of straw, but soon the wolf came and blew it away. The pig ran to the second pig's house of sticks. Again the wolf came and blew the house down. The pigs ran to the third pig's strong brick house. The wolf could not blow it down. He tried the chimney, but the pigs had a pot of hot water in the fireplace.
