CONVERSATIONAL EVANGELISM Edward D. Andrews,2017-01-04 Questioning Evangelism, Second Edition Randy Newman,2017-04-25 You don t need to memorize evangelical formulas or answers You just have to be willing to ask There was something different about the way Jesus communicated with the lost He didn t force answers upon people He asked questions So why don t we Following Christ s lead Randy Newman has been using a questioning style of evangelism for decades In this provocative book he provides practical insights to help Christians engage others in meaningful spiritual conversations He challenges us to examine how we think about people their questions and our crucial message This second edition includes a new preface reflecting on the popularity of this perennial best seller and what its success has taught Newman about the effectiveness of this extraordinary method Distilled out of over twenty years of personal evangelism this book reflects both a deep grasp of biblical theology and a penetrating compassion for people and finds a way forward in wise probing questions How very much like the Master Himself D A Carson Trinity Evangelical Divinity School Questioning Evangelism steps outside the boundaries of evangelism as usual and tackles the tougher issues of our modern day Mitch Glaser Chosen People Ministries

Evangelism John F. MacArthur,Grace Community Church Staff,2011-03-21 A clear biblical theology of evangelism presented with a historical foundation and practical instruction Expand your MacArthur Pastor s Library to include this much needed topic Evangelism begins by comparing the current state of outreach in American Christianity with evangelism throughout church history and also in the Bible Presenting a theology on the subject that addresses the theological principles that govern evangelism showing how they are played out in the church as well as the family and personal interaction It includes preaching one on one witnessing missions parenting evangelism and commissioning and supporting missionaries This book s substantive and doctrinally insightful guide to biblical outreach complements the previous volumes Preaching Biblical Counseling and Pastoral Ministry

The Sacrament of Evangelism Jerry Root,Stan Guthrie,2011-04-01 A recent statistic suggests that 15% of the churches in America are growing but only 2 2% are growing evangelistically Much of the church in America has lost its evangelistic zeal and forgotten how to re ignite it this book is an attempt to light the fuse of the powder keg so that the church long distracted by so many things might return to its primary mission in the world We do not take Christ to anyone He is already there We go to make explicit what we see Him doing implicitly It is not a question of whether God is at work in His world Our hope is to see more of God s people at work with Him Learn about why we share our faith Christ s role in our evangelism the deep longings in all our hearts and how to effectively live a sacramentally evangelistic lifestyle We are offering a way of looking at life and the world that is open to God s presence everywhere This approach is called sacramental And where better to experience God s presence than in His workplace This is the Sacrament of Evangelism
