## **KUCCPS extends application deadline for Placement to Universities and Colleges**

***Nairobi, February 16, 2024***

The Kenya Universities and Colleges Central Placement Service (KUCCPS) opened application for placement of students to universities and colleges on February 7, 2024. The application targets the 2023 Kenya Certificate of Secondary Education (KCSE) candidates and Form Four leavers from other years to 2000.

Only the 2023 candidates can apply for degree programmes in universities. Those from all other years can apply for courses offered at the Open University of Kenya, Technical and Vocational Education and Training (TVET) institutions, Teacher Training Colleges and the Kenya Medical Training College.

**In the spirit of ensuring that no one is left behind, KUCCPS has extended the application deadline to February 26, 2024.**

The number of applicants selecting degree programmes is higher than those applying for TVET courses so far. KUCCPS encourages those with mean grades between C and E to take advantage of the available TVET opportunities.

Particularly, applicants with D+ and E are still very low and we are encouraging them to apply. They should walk into their nearest TVET institution for assistance.

We have implemented measures to ensure that applicants are adequately supported. In addition, we are working with Huduma Centres and various universities and colleges to guide applicants. A list of the support centres is available on the KUCCPS website [www.kuccps.ac.ke](http://www.kuccps.ac.ke).

Therefore, I take this opportunity to assure all those seeking training opportunities through the KUCCPS portal that no one will be left behind.

CHIEF EXECUTIVE OFFICER**
