Sociology of Examinations Fumiya Onaka, 2019-03-28 Contemporary societies are constructed constricted and constrained by various series of examinations Governments of both Western and non Western countries tend to conduct detailed multi layered and continuous systems of tests or examinations International tests such as PISA and TIMSS have also been introduced to compare the relative performances of learners within diverse educational institutions across different countries Examinations therefore provide a methodological pivot for comparing a range of societies They enable us to contrast the West and the East the North and the South tribal and mass society ancient and postmodern civilization and so on Comparing parallel societies from across Asia the Middle East Europe and North America this book proposes fundamental transitions in sociological research from system to process and from communication to composition through intensive studies on examinations It uses ethnographies interviews questionnaires documents statistics and big data analyses to make comparisons on broad scales of time and space In so doing it suggests hypotheses encompassing different kinds of societies in human history including those in the Axial Age and the Modern Ages

Lessons for the Social Studies Classroom M. Lazarus, S. Cohen, K. Lambert, R. E., 2013-03-12 The idea for this book came while I was observing a student teacher and a master teacher I realized that most student teachers while in training do not have the

opportunity to think creatively about their lessons I also noticed that teachers new to the field of teaching suffer the same fate they are too busy trying to survive the day and are not sure how to plan and organize their teaching Lesson plans are one of the most important tools for a teacher and more important for the novice teacher I believe that during student teaching or during their undergraduate years if students were equipped with this book their first year teaching will not look so first year Imagine an undergraduate class filled with soon to be Social Studies teachers discussing these selected lesson plans improving upon them and making them their own Most first year teachers over teach or under teach and both types still miss the marks on the standardized test These lesson plans will give the new teacher a place to begin
