**Foundations In English Course Book - 5 (Revised Edition)**, 2/E Eapen Lalitha, 2008-09      **The Book of Love** James McConnachie, 2008-05-27 An engaging enlightening biography of the ancient Hindu manuscript that became the world's most famous sex manual The Kamasutra is one of the world's best known yet least understood texts its title instantly familiar but its actual contents widely misconstrued In the popular imagination it is a work of practical pornography a how to guide of absurdly acrobatic sexual techniques Yet the book began its long life in third century India as something quite different a seven volume vision of an ideal life of urbane sophistication offering advice on matters from friendship to household decoration Over the ensuing centuries the Kamasutra was first celebrated then neglected and very nearly lost until an outrageous adventurer introduced it to the West and earned literary immortality In lively and lucid prose James McConnachie provides a rare intimate look at the exquisite civilization that produced this cultural cornerstone He details the quest of famed explorer Richard F Burton who along with his clandestine coterie of libertines and iconoclasts unleashed the Kamasutra on English society as a deliberate slap at Victorian prudishness and paternalism And he describes how the Kamasutra was driven underground into the hands of pirate pornographers until the end of the Lady Chatterley obscenity ban thrust it once more into contentious daylight The first work to tell the full story of the Kamasutra The Book of Love explores how a remarkable way of looking at the world came to be cradled between book covers and survived      **Course Book 5 Foundations in English** ,      *Book of Texas Birds* Gary Clark, 2016-11-07 Drawing on the knowledge and insight gained from a lifetime of watching studying and enjoying birds this book is full of information about more than four hundred species of birds in Texas most all of which author Gary Clark has seen first hand Organized in the standard taxonomic order familiar to most birders the book is written in a conversational tone that yields a wide ranging discussion of each bird's life history as well as an intimate look at some of its special characteristics and habits Information regarding each species diet voice and nest is included as well as when and where it can be found in Texas Magnificent photographs by Kathy Adams Clark accompany each bird's entry For those just beginning to watch birds to those who can fully relate to the experiences and sentiments communicated here by a veteran birder this book reveals the kind of personal connection to nature that careful attention to the birds around us can inspire      The Book Buyer , 1905      John Irving Harold Bloom, 2001 A collection of eleven chronologically arranged pieces of literary criticism on the works of twentieth century American author John Irving with a chronology and secondary bibliography essays cover the novels The World According to Garp The Hotel New Hampshire The 158 Pound Marriage A Prayer for Owen Meany and The Cider House Rules      **The Oxford Companion to Twentieth-century Literature in English** Jenny Stringer, 1996 Survey of twentieth century English language writers and writing from around the world celebrating all major genres with entries on literary movements periodicals more than 400 individual works and articles on approximately 2 400 authors      Cell Physiology Source Book Nicholas Sperelakis, Nick
