**Embracing Philanthropic Environmentalism** Will Sarvis, 2019-06-05 This book addresses urban ecology green technology problems with climate change prediction groundwater contamination invasive species and many other topics and offers a guardedly optimistic interpretation of humanity's place in nature and our unique caretaker role Drawing upon scholarly and media sources the author presents a common sense analysis of environmental science debunking eco apocalyptic thinking along the way Compromised science masquerading as authoritative is revealed as a fundraising and policy influencing crusade by the environmental elite overshadowing unambiguous problems like environmental racism

**Diversity and Philanthropy** Lilya Wagner, 2016-03-14 A one size fits all strategy is not effective when it comes to philanthropy and fundraising in today's diversified environment This book enables nonprofit leaders board members staff and volunteers of nonprofit organizations to better reach diverse populations and incorporate perspectives that increase success by surveying the cultural context for philanthropic action Diversity and Philanthropy Expanding the Circle of Giving is a concise accessible and research backed resource that explains the traditions of philanthropy an invaluable tool given the proliferation of global nongovernmental organizations that affect every aspect of society in every country Author Lilya Wagner has worked across the globe as fundraising and nonprofit organizations proliferated in the last 25 years This book is an outgrowth of her extensive research as well as an accumulation of her professional interactions in the field and real world knowledge The book begins with an overview of culture and its influence on generosity and then examines the global increase of attention on diversity in giving Chapters address specific cultural and ethnic groups the traditions of their countries of origin what influences their giving in North America and characteristics that are inherent in culture such as religion and attitudes about family The book concludes with an insightful discussion of how to be a culturally proficient professional An extensive listing of resources including research on various aspects and angles of the topic and surveys on giving both in North America and globally makes it easy for those who want to pursue related topics in more detail

**Co-opting Culture** Garrick B. Harden, Robert Carley, 2009-06-16 Co-opting Culture Culture and Power in Sociology and Cultural Studies represents a collection of new scholarship on culture from the social sciences and from work done under the rubric of cultural studies Working from the idea that Sociology and Cultural Studies have developed distinct and valuable toolkits for understanding culture the editors have brought together a collection of essays that address the ways in which the cultures around race sex and gender are mediated through or intersect with politics society and economy Some essays deal directly with the theoretical nature of this mediation while others adopt these theoretical approaches to investigate specific cultural objects or communities In doing so these essays call attention to the particularities of form that constitute a kind of cultural logic around the objects under consideration

**Taking Philanthropy Seriously** William Damon, Susan Verducci, 2006-11-06 Strategies for effective and responsible giving

**Reimagining Global Philanthropy** Kirk

Bowman, Jon Wilcox, 2021-09-07 Well meaning Westerners want to find ways to help the less fortunate Today many are not just volunteering abroad and donating to international nonprofits but also advancing innovations and launching projects that aim to be socially transformative However often these activities are not efficient ways of helping others and too many projects cause more harm than good Reimagining Global Philanthropy shares the journey of a conservative banker and a progressive professor to find a better way forward Kirk S Bowman and Jon R Wilcox explain the boom in the global compassion industry revealing the incentives that produce inefficient practices and poor outcomes Instead of supporting start up projects with long shot hopes for success they argue we can dramatically improve results by empowering local leaders Applying lessons from the success of community banks Bowman and Wilcox develop and implement a new model that significantly raises philanthropic efficacy Their straightforward and rigorously tested approach calls for community members to take the lead while outside partners play a supporting role Bowman and Wilcox recount how they tested the model in Brazil demonstrating the value of giving people in marginalized communities the opportunity to innovate In a time of widespread social reckoning this book shows how global philanthropy can confront its blind spots and failures in order to achieve truly transformative outcomes Readers can access five of the documentary films discussed in the book on a companion website In addition to the films chapter discussion questions and other supplemental materials are also available at the site
