Planting Tomatoes Tips Before You Begin 1:

Planting Tomatoes Steve Lucas, 2012-01-21 Tomatoes are one of the tastiest and most versatile vegetables or fruit depending on who you're asking that you can purchase. They can be sliced for sandwiches, diced up for salad, cooked into a paste used as the base for soups. The possibilities for tomato usage are almost limitless. They're perfect as a side or snack as an ingredient in tomato recipes or just as an addition for a little extra flavor. Best of all, tomatoes are actually one of the easiest crops for anyone, no matter how green their thumb is, to grow. Unfortunately, despite their ease, many people are unaware of how to start growing tomatoes in their home garden. There's a variety of tomatoes which one should you purchase? How should you plant it? If you're planning on using containers, what types or sizes should you use? *Planting Tomatoes Tips Before You Begin* is the perfect companion book for when you decide to embark on your own quest of cultivating your very own tomatoes. Using a variety of tips and FAQs, this book will allow you to overcome the first hurdles that are stopping you from planting your tomato garden and put you on the road to your very first tomato harvest.

The Complete Allotment Guide - Volume 1 - Starting Out, Growing and Techniques Jason Johns, 2021-03-28 The Complete Allotment Guide Volume 1 is the first in a series of books teaching you everything you need to know to get started growing fruit and vegetables. Whether you have an allotment, a smallholding or a vegetable garden at home, you will learn how to start growing in the ground and in containers. This step-by-step guide starts from first principles, teaching you everything from how to choose an allotment to clearing weeds, coping with the weather and how to set your vegetable garden up. You learn exactly what to look for when choosing an allotment, plus how to apply and how allotment sites work, which is useful for new allotment owners. Even if you are growing at home, there is plenty of information to help you get started growing. Whether you are brand new to growing your own or whether you have dabbled, this book teaches you everything about owning and running an allotment. Written by a long-term allotment owner, the information is first-hand and gives you a real-world view of having an allotment, packed full of valuable information to help you make the most of your allotment. The Complete Allotment Guide Volume 1 goes into detail about how to work an allotment and grow fruit and vegetables. As you read this book, you will discover: How to compost, including what you can and cannot compost. The common pests you will encounter and how to deal with them. The various problems you may encounter and how to overcome them. How to grow from seeds, plus what F1 and heirloom seeds are. When to feed your plants and what fertilisers to use, including how to make your own. What companion planting is and how it benefits you and your plants. Why you must rotate crops on your allotment and how to do it. How to run an allotment with children so they can enjoy it too. Different gardening techniques so you know how to look after your vegetable garden. Ways to maximise productivity from your allotment while minimising the amount of work you have to do. As well as this, you get a comprehensive guide to sowing seeds, showing you when to sow different types of vegetable seed, when to plant outside and when to harvest crops. You also get a month-by-month guide telling you what jobs to do at an allotment, including Vegetable
