Never Too Far By Abbi Glines:

Never Too Far Abbi Glines, 2013-03-07 Rush withheld a secret that had destroyed Blaire's world. She knows she can never forgive him, but she can't forget him either. Now Blaire's back home in Alabama and is trying to move on with her life until something happens to send her world spinning once again. What do you do when the one person you can never trust again is the one that you need to trust so desperately? You lie, hide, avoid, and pray that your sins never find you out. *Rush Too Far*

Abbi Glines, 2014-05-06 A new adult novel featuring Rush and Blaire in the Rosemary Beach series **Prequels, Coquels and Sequels in Contemporary Anglophone Fiction** Armelle Parey, 2018-09-03 This book offers to delineate a key phenomenon in contemporary Anglophone fiction: novel expansion, when the plot and characters from a finished novel are retrieved to be developed in new adventures set before, after, or during the narrative time of the source text. If autographic and allographic sequels are almost as old as literature, prequels that imagine the anteriority of a narrative and coquels that develop secondary characters in the same story time as the source text are more recent. The overall trend for novel expansion spread in the mid 1980s and 1990s and has since shown no sign of abating. This volume is organised following three types of relationships to the source texts, even if these occasionally combine to produce a more complex structure. This book comprises 11 essays preceded by an introduction that examines narrative strategies, aesthetic, ethical, and political tendencies underlying these novel expansions. Following the overview provided in the introduction, the reader will find case studies of prequels, coquels, and sequels, before a final chapter that encompasses them all and more.
