Broken Hearts...Mended Don Stackpole ,2018-12-12 Every generation has felt the sting of parental alcohol abuse Our numbers are staggeringly high Only God can possibly know to what extent lives have been changed for the worse by the scourge that alcohol has become Anyone who has ever lived in the shadow of a drunkard knows the hurt and humiliation that comes with having done so At first glance it would appear that this sin against children is virtually unforgivable There simply is no excuse for a parent to deal out this kind of grief to those they are charged by God to protect and love Children of drunkards ultimately become adult children of drunkards While they have moved on chronologically from their childhood they still remember the pain They still have the occasional flashback that will return them to a time of inexplicable feelings of betrayal and even abandonment But there is hope That hope is found in the biblical precept of forgiveness The author shares his life experiences that have delivered him from an early adulthood engulfed by sorrow and regret to a time when forgiveness was granted when it hadn t ever been sought The same equation can be applied to any and all victims of having lived for many years in the belly of the beast

*Phenomenology of the Broken Body* Espen Dahl,Cassandra Falke,Thor Eirik Eriksen,2019-01-16 Some fundamental aspects of the lived body only become evident when

it breaks down through illness weakness or pain From a phenomenological point of view various breakdowns are worth analyzing for their own sake and discussing them also opens up overlooked dimensions of our bodily constitution This book brings together different approaches that shed light on the phenomenology of the lived body its normality and abnormality health and sickness its activity as well as its passivity The contributors integrate phenomenological insights with discussions about bodily brokenness in philosophy theology medical science and literary theory Phenomenology of the Broken Body demonstrates how the broken body sheds fresh light on the nuances of embodied experience in ordinary life and ultimately questions phenomenology s preunderstanding of the body **“Shatters of My Broken Heart”** YaRonnica

Harris-Wright,2011-11-23 INTRODUCTION The following literature was derived from when I was younger and making attempts to be in love only to grow older and realize that all along I was only in love with a thought I was in love with the idea of being in love just imagining the cozy comforting feelings of all the elements that love possesses within one s heart shared with another Desires to fulfill the urges inside of M3 that wanted so vulnerably to care for a young lady demonstrating the actions of a gentleman being that I am a girl I call myself a Gentlewoman I live to provide for special ladies in my life The affectionate compassion of my hearts mentality is only to show that there is good in relationships there is love in hearts there are truths in words and there is trust in promises Though my intentions were miraculous I ve been taking for granted branded and broken down but stand strong to this day you ll be Auhmazed to hear through it all what I ve found With the Shatters of My Broken heart I present to you My Music Book of Poetry This is my music book of poetry emotions that hung pain over M3 speak of my exes they ain t over M3 How I made it that s how it s posed to be I only dared to let certain ones get close to M3 They played my love say I broke their hearts scarred my emotions blamed M3 that we re apart and still is in denial that I loved em from the start But my angel fell from the stars at the time I stopped looking for love I thank the lord now I can t be without her I can t give her up This is my music book of poetry loves that really tried to lower M3 My ex females live by no loyalty all I wanted was love and in return I would spoil thee Instead they left M3 with crazy stories that dropped my heart from a building of endless stories I can chuck up the deuces counting my few exes that weren t worthy Oh yea in God I trust I had no worries All my focus now is to get this money and provide for my family cuz at the end of the day I know I only have God My Love them and M3 Enjoy this Journey as you explore My mind **Minding the Children**

Geraldine Youcha,2009-04-28 Beyond childcare theories and early childhood gurus here is how children have actually been raised in America over the last four centuries From wet nurses and Southern mammys settlement houses and orphan trains to rigid British nannies foster care and the modern two worker family Geraldine Youcha s delightful book paints a wide ranging picture of American childhood In this updated paperback edition a lively new chapter brings the story through current childcare wars and present economic realities All in all it is a reassuring picture for despite a bewildering array of different styles and fads children have survived and often thrived While there are some harsh lessons to be learned here

there is also plenty to lend optimism and help anxious parents relax      From Broken Vows to Healed Hearts Rebecca L. Mitchell, 2018-05-29 Divorce can be a sensitive topic for Christians After all a husband and wife are supposed to be one flesh Yet even in the church divorce rates continue to be substantial And women are desperate for biblically based guidance encouragement and hope not to sweep their pain under the rug and pretend broken vows don't exist but to know that complete healing is possible Rebecca Mitchell knows this because she has experienced divorce firsthand Her marriage crumbled after twenty five years and she went through every stage of grief But one day she realized she needed to stop being trapped by the past and move forward She refused to accept the role of victim Her journey to healing and her experience leading a support group in her home church led to a conviction that others could be helped in the same way through engaged community biblical self care and compassionate reflective practices This unique book covers topics such as depression loneliness forgiveness hope and even joy Each of the twelve chapters includes five days of devotionals and journaling questions From Broken Vows to Healed Hearts leads readers through the process of realizing that brokenness is a stage not an identity Mitchell encourages women to maintain hope for healing to be patient with the time recovery takes to be committed to community and above all to seek God      *Lies and Broken Promises - A Tale of Alcoholism* Alan B. Bradley, 2012-06-18 Alan's true story picks up after his parole from Trenton State Prison where he served 27 months of a 3 to 5 year sentence for possession and sale of drugs He thought he had his drug addiction problems beaten He felt that alcohol without drugs would provide him the relief that he needed from his anxiety and depression He started becoming more and more reliant on alcohol as the days passed His social anxiety was so great that he could not participate in conversations in a group context His alcoholic life was a whirlwind of brief sexual encounters and drinking at bars in Greenwich Village His sexual identity was non-existent He had no sexual preference of a female over a male or vice versa Alan was just getting started on his academic career as a free man He had taken his first 4 college courses in prison and was determined to earn at least a bachelor's degree In no time at all he was consuming alcohol before every social gathering whether it was at home at work or on the university campus Alan appeared aloof to many acquaintances but his quiet nature was due to his intense anxiety levels and sporadic depression The years advance and Alan chronicles the huge impact alcoholism has on his life and his urgent attempts to work towards solutions to his inner turmoil As his alcoholism progresses he gets closer and closer to losing everything he's worked and strived for His personal relationships are falling apart His work on the job is suffering and his relationships with co-workers are becoming stressed He needs a solution and he needs it now      Sunset Bay Susan Mallery, 2009-02-24 In an emotional story brimming with wry humor New York Times bestselling author Susan Mallery pens a heartwarming tale of love family and a woman's journey of discovery What if you got another chance at the life that got away LA accountant Megan Greene has a successful job a handsome cardiologist fiancé and a doting father Surely they make up for her estranged sister and hypochondriac mother and a nagging sense that something somewhere got lost along the way But
