Williams, 2019-07-19 Some of the questions asked and answered in THE YOUNG CHRISTIAN S SURVIVAL GUIDE are You claim the Bible is inspired because it says it is right 2 Tim 3 16 Isn t that circular reasoning You claim the Bible was inspired but there was no inspired list of which books that is true of So how can we know which ones to trust With so many different copies of manuscripts that have 400 000 variants errors how can we even know what the Bible says Why can t the people who wrote the four Gospels get their story straight Didn t the Council of Nicaea just arbitrarily pick the books for the Bible that they agreed with and suppress all the rest with political power People used to believe in miracles because they didn t understand science Don t we know better than that now That a man rose from the dead takes a lot of believing How could you ever have enough evidence for a belief like that Science has proved that human beings evolved over millions of years rather than being created in six days Why are you still clinging to ancient myths Just because the Bible is true for you why does that make it true for me How can you base your modern life on a book that was written for a primitive culture Doesn t the Bible support genocide Doesn t the Bible support racism Doesn t the Bible support slavery Doesn t the Bible support homophobia Doesn t the Bible support the oppression and abuse of women There are so many religions all sincerely seeking the same goal What makes you Christians so arrogant that you think yours is the only way What about those who have never heard the Gospel If God is a God of love why did he let my loved one die How can it be just for God to impose an infinite punishment Hell forever for finite sins These questions will be asked and answered with reasonable rational A Christian's Survival Guide Alex Brown, 2025-08-09 Dear Christian this is not a self help book In Scriptural answers these pages you won t find Top Ten Ways to Resist Temptation or Three Ways to Stop Sinning or anything like that This is a survival guide for life here on earth Brief devotional and practical After reading this book you ll 1 Know Your Enemy 2 Know Yourself 3 Know Your Savior We ll also briefly look at the arms armor and aid God gives us his dearly loved children to take our stand against the schemes of the devil and against the spiritual forces of darkness in the heavenly realms Our God does not leave us defenseless against our enemy He does not leave us alone This is A Christian's Survival Guide Wearing God's Armor Every Day Let's get started Survival Kit for New Christians - Basic English ,1979 How to Walk on Water Renee Milton, 2015-05-29 Are you struggling with faith because your problems feel like they will never end Are you having

trouble seeing the light at the end of the tunnel Do you need help with spiritual growth How to Walk on Water gets to the root of why so many Christians miss the life lessons that God is trying to teach It offers thoughts and tips to help Christians get spiritual gold out of their trials Through the lens of her own life and spiritual growth the author uses her personal story and counseling examples to show how God can take you from the prison of trials to the palaces of victory We often feel weak and struggle to survive while waiting on God to change our circumstances We face depression and loss of hope during turbulent times How to Walk on Water is a reminder that God never forgets us and that soaring above our tribulations doesnt always mean happy feelings Soaring means having strong enough wings to hold steady against the wind Christian's Survival Guide MORGAN. SELAH, 2025-07-10 Just got saved but still feel spiritually clueless You re not alone The Baby Christian's Survival Guide is a funny practical and refreshingly honest guide for anyone new to faith who s secretly wondering if everyone else got an instruction manual Spoiler They didn t With humor heart and a dash of holy sarcasm this quide walks you through the weird wonderful world of Christian life church culture prayer reading the Bible handling questions and more without overwhelming theology or awkward Christianese Perfect for new believers returning wanderers or that friend who just got baptized and has no idea what s next You ll laugh You ll learn You might even finally figure out what fellowship means Christian Survival Guide Christopher Roberts, 2017-05-18 This mini book will provide you with seven steps along the path of righteousness encouraging Christians that God is with them no matter what Even though this Christian Survival Guide is short it will provide readers with a taste of the kind of books I am writing to encourage the body of Christ today as we prepare for the Second Coming of Jesus Christ our Lord and Saviour The first step to Christian survival will consider that God wants to restore those who may have been going through difficult times in their lives It s very easy for a Christian to loose their spiritual edge especially if they have been going through circumstances that have required all their attention We shall consider how to rely more on God to motivate our spirituality in these last days of time The second step to Christian survival will focus on how to exercise patience and love towards those in our churches and fellowships those who may not conform to the way that we do things in the Kingdom of God In this chapter we shall consider how to exercise patience and love rather than being overly critical and judgemental towards those in need of help and guidance in their lives The third step towards Christian survival will evaluate the difference between judgment and spiritual discernment In the first half of this chapter we shall consider how to correctly judge one another In the second half of this chapter we shall consider the need to use discernment when facing some of the false doctrines that are invading our churches today. The forth step to Christian survival will discuss how to be led by the Holy Spirit rather than adhering to a legalistic code of practice that many churches observe today Christianity is not about observing some specific doctrine or even looking good before others it s about obeying God and experiencing the leading of the Holy Spirit in our individual lives even though that leading may be different to how God leads other people in their day to day walk with him The fifth step to Christian survival will analyse the

correct appropriation of God's grace in our lives. We need grace to help us seek God until he sets us free from the temptations and sins that plague many christians today something that cannot be achieved through the observance of some law telling us that we should not sin The penultimate key to Christian survival will attempt to gain an understanding between faith and works works will not bring us to Christ However faith without works is dead Therefore we shall consider the right balance that we need to achieve between faith and works The final step to Christian survival will discuss the need to be prepared to let God change us from vessels of dishonour into vessels of honour fit for the Master's use God is able to do this by allowing many of us to pass through various trails and difficulties that affect people today Rather than running away from such trials and tribulations God may be trying to speak to us and change us more into the image of his Son Jesus Christ It is my prayer that this short book will encourage you to face whatever it is that comes against your life and turn it into something good that will benefit both you and the Kingdom of God at the same time Genesis 50 20 **Survival Kit** Ralph W. Neighbour, Jr., Bill Latham, 1979-11-05 Survival Kit 5 Keys to Effective Spiritual Growth helps new and growing Christians understand and deal with conflicts between old and new patterns of thoughts and habits It also helps believers develop a regular pattern of guiet time prayer Bible study and Scripture memorization Includes a small group discussion guide and one to one counselor s guide 6 sessions THE CHRISTIAN APOLOGIST Edward D. Andrews, 2016-11-03 .1993 **DEFENDING CHRISTIANITY** Alfred Ernest Garvie, 2022-06-04 Garvie offers the reader an overview of arguments for Christianity on subjects varying from the existence of God to eschatology Alfred Ernest Garvie shows us the magnificence of the faith instead of becoming weighed down by tiresome arguments He systematically covers every significant Christian teaching making this handbook a valuable reference for believers and unbelievers alike looking for appealing summaries of specific doctrines **DEFENDING THE CHRISTIAN FAITH** Samuel L. Phillips, 2022-06-02 Use the tools of reason the power of the mind to think understand and form judgments by logic to construct an argument for the Christian faith Paul reasoned from the Scriptures he proved explained and persuaded Samuel L Phillips maintains that we can establish many of the essential truths of Christianity from facts most people believe In DEFENDING THE CHRISTIAN FAITH he creates common ground with unbelievers showing that they already believe in fundamental truths that lead to Innovation & Revolt Print Edition Leopold Boeckl, 2018-02-16 Today's industrialized nations are still limping Christianity toward recovery in the aftermath of the Great Recession in 2007 and the world is watching the many resulting social revolutions History has seen this before in fact titanic revolutions have been cyclical responses to the horrific financial conditions borne out of the industrial era's market crashes The French Revolution and World War II are two indelible examples of violent impacts incited by large economies suddenly taking a nosedive History meets macroeconomics as this book lays out how technology has been the main driver of societal change for all of human history This book then outlines the four waves of technological innovation that have powered the industrial era and traces the seismic shifts in culture society
