**Parenting Tips for a New Age** Danny Ray Christian, 2021-08-19 The Miracle of Belief Occurs Before The Miracle of Transformation. I wrote this book with all the mothers and fathers who are sometimes at a loss as to how to best guide their children through the difficult experiences of childhood and young adulthood in mind. Parenting is one of those assignments that is worth doing poorly at first until you get better at the awesome privilege it is to nurture the souls. Jesus said, Suffer little children, and forbid them not to come unto me, for such is the kingdom of heaven. Matthew 19:14.

KJV Parenting is the one job we do not want to get wrong yet the reality is that we usually are not aware of our mistakes with our children until after we have made them God knows I am probably the last person who should be offering anyone advice on parenting because of all the mistakes I made as a father I nevertheless persist in this endeavour because of what the former Prime Minister of Great Britain said about the benefits of mistakes No man ever became great or good except through many and great mistakes Only what we put into raising our children can we expect to see them manifest It is my hope that this small book which features just a few of the lessons I have learned from the mistakes I have made and continue to make as a father will help other parents become better at the job of nurturing the next generation of leaders and achievers
