Studebaker, 2019-11-14 This volume brings America's theologian and one of the fastest growing forms of Christianity into dialogue Edwards is a fruitful source for Pentecostal investigation for historical and theological reasons Edwards and Pentecostals descend from a common historical tradition North American Evangelicalism From revivalism and religious charismatic experience to pneumatology they also share common theological interests Though sharing a common history and core theological concerns no critical conversation between Pentecostals and Edwards and their fields of scholarship has occurred This is the first volume that provides Pentecostal readings of Edwards theology that contribute to Pentecostal theology and Edwards scholarship The contributing essays offer examination of affections and the Spirit God and Salvation Church and culture and mission and witness *An Introduction to Ecclesiology* Veli-Matti Kärkkäinen, 2021-03-02 What is the church In this thoroughly revised and updated text Veli Matti Kärkkäinen provides a wide ranging survey of ecclesiology in the midst of rapid developments and new horizons This unique primer not only orients readers to biblical historical and contemporary ecclesiologies but also highlights contextual and global perspectives *The Routledge Handbook of Pentecostal Theology* Wolfgang Vondey, 2020-03-31 Research on Pentecostal and Charismatic Christianity has increased dramatically in recent decades and a diverse array of disciplines have begun to address a range of elements of these movements Yet there exists very little understanding of Pentecostal theology and it is not uncommon to encounter stereotypes and misperceptions Addressing this gap in current research The Routledge Handbook of Pentecostal Theology is an exceptional reference source to the key topics challenges and debates in this growing field of study and is the first collection of its kind to offer a comprehensive presentation and critical discussion of this subject Comprising over forty chapters written by a team of international contributors the Handbook is divided into five parts Contextualizing Pentecostal Theology Sources Theological Method Doctrines and Practices Conversations and

Manifesting the Spirit Mbanyane Mhango, 2021-09-30 Fewer subjects have generated intense debate in Christian thought and practice than sacraments A reductionist view of the term sacrament often causes this debate and engenders tension between the so called sacramental and non sacramental churches largely based on whether one views the Water Baptism and the Lord s Supper as ordinances or as sacraments means of encountering God Drawing from the theological view that Christ is the primordial sacrament of the encounter with God this book posits that all believers are sacraments of an encounter with God This claim has ecumenical import Conversion Baptism the Lord s Supper the Empowerment Gifts and Fruit of the Spirit Worship Testimonies of Triumphs or Sufferings Eschatological Hope etc enable believers to manifest the Spirit Pentecost inaugurated all believers as both macrocosmic and microcosmic sacrament s The notion of sacramentality of believers intersects with the theological triad of Orthodoxy Orthopraxy and Orthopathy

Pentecostal Higher Education Daniel Topf, 2021-09-16 This book presents a theological and missiological argument for pentecostals to engage more forcefully in higher education by expanding and renewing their commitment toward operating their own colleges and universities The volume s first part describes past and present developments within higher education highlighting strengths and weaknesses of both pentecostal and post secular institutions The second part highlights the future potential of pentecostal higher education which is enriched by a Spirit empowered and mission minded spirituality that focuses on forming the hearts heads and hands of students Pentecostals increasingly desire to influence all spheres of society an endeavor that could be amplified through a strengthened engagement in higher education particularly one that encompasses a variety of institutions including a pentecostal research university In developing such an argument this research is both comprehensive and compelling inviting pentecostals to make a missional difference in the knowledge based economies that will characterize the twenty first century

Pacifism and Pentecostals in South Africa Marius Nel, 2018-06-27 Most of the early twentieth century Pentecostal denominations were peace churches that encouraged a stance of conscientious objection However since the Second World War Pentecostals have largely abandoned their pacifist viewpoint as they have taken on a more literal Biblical hermeneutic from their interaction with Evangelical denominations This book traces the history of nonviolence in Pentecostalism and suggests that a new hermeneutic of the Bible is needed by today s Pentecostals in order for them to rediscover their pacifist roots and effect positive social change The book focuses on how Pentecostalism has manifested in South Africa during the

twentieth century Much of the available academic literature on hermeneutics and exegesis in the field of Pentecostal Studies is of an American or British European origin This book redresses this imbalance by exploring how the Bible has been used amongst African Pentecostals to teach on the apparent paradox of a simultaneously wrathful and loving God It then goes onto suggest that how the Bible is read directly affects how Pentecostals view their role as potential reformers of society So it must be engaged seriously and thoughtfully By bringing Pentecostalism's function in South African society to the fore this book adds a fresh perspective on the issue of pacifism in world Christianity As such it will be of great use to scholars of Pentecostal Studies Theology and Religion and Violence as well as those working in African Studies *A Man of the Church*

Synan,2018-04-03 Often the modern grace message gives people a license to disregard the clear moral teachings of Jesus and the apostles Churches around the globe teach a lawless grace and direct many to make choices of convenience and compromise Consequently Christianity loses public credibility as so called leaders of faith fall into adultery child abuse alcoholism financial corruption and many other sins This is the great crisis of the twenty first century church and respected theologian Vinson Synan says it's time to bring it to light Featuring perspectives of leaders from a range of cultural pastoral and theological backgrounds *The Truth About Grace* opens the discussion to more than a dozen scholarly contributors tackling topics such as grace and the security of the believer grace versus works and tongues as a manifestation of grace Synan brings you the key voices on this hot topic from hyper grace critic Michael Brown to Singaporean pastor Joseph Prince whom some consider a leading voice in the hyper grace movement *The Truth About Grace* will help you discern the unbiblical excesses in the modern grace message while growing in understanding of the true nature and purpose of grace Reading St. Luke's Text and Theology: Pentecostal Voices Riku P. Tuppurainen,2019-10-16 Lukan narrative takes its readers into God

s story how his salvation plan in Jesus began on the slopes of Judea and at the Sea of Galilee ending on the hill of Calvary and the Mount of Olives yet moving on and telling how the Spirit descended onto the Temple Mount empowering God's people who then began to fulfill the given mandate in the presence of the Spirit Yet readers of Luke Acts throughout the centuries have had a meandering journey as they have tried to understand the narrative's persuasion and Spirit references This book seeks to bring awareness to these challenges by some of the most respected Pentecostal biblical scholars and systematicians Here their vigorous labor with the questions of hermeneutics and theology in relation to Lukan writings have come to fruition These contributions have been collected as a Festschrift in honor and celebration of the career of Roger Stronstad a Pentecostal biblical scholar whose contribution to Lukan studies have moved Pentecostal scholarship from shadows into daylight The editor of this volume invites the readers of Lukan narrative to journey together on the road to Emmaus as we continue to ponder the events in the past the present and the future

Der Heilige Geist im ökumenischen Gespräch und im Pentekostalismus Alexander Stavnichuk, 2021-12-06 Der Band untersucht welches Verständnis des Heiligen Geistes aus den zentralen multilateralen Texten des ökumenischen Rates der Kirchen unter Einbeziehung des pentekostalen Ansatzes in den ökumenischen Diskurs resultiert Im theologischen Vergleich wird reflektiert welche Aspekte der Lehre über den Heiligen Geist aus der pentekostalen theologischen Tradition den ökumenischen multilateralen Diskurs erweitern können Wie kann ihr besonderes Verständnis des Heiligen Geistes unverkennbar und gleichzeitig gewinnbringend für den ökumenischen multilateralen Diskurs dargestellt werden Umgekehrt wird gezeigt in welcher Gestalt die Pentekostalen ihre Vorstellung vom Heiligen Geist anhand der Begegnung mit dem ökumenischen multilateralen Diskurs neu ausdrücken können The pentecostal openness to the presence of the Holy Spirit can be understood in terms of the analogy with the Trinitarian personhood as a mode of the individual participation in the life of the Triune God This links the pentecostal understanding of the Holy Spirit with the koinonia ecclesiology of the ecumenical multilateral dialogue The current understanding of the ecumenical koinonia ecclesiology is modelled by the life of the Trinity and formed by the sacramental participation of the church in the life of the Triune God In this way Pentecostalism can find its access to the eucharistic sacramental understanding of unity of the church Conversely this is also enriching for the multilateral ecumenical koinonia discourse The participation in the koinonia with the Triune God includes not only the dimension of the eucharistic fellowship but also the dimension of the direct personal orientation of Christians toward the presence of the Holy Spirit
